**Plaintiff ASIS INTERNET SERVICES**, a California corporation, and a provider of Internet Access, complains of Defendants **PURE ADS, LLC**, a Florida Limited Liability Company, dba **BEST ONLINE GIFT CENTER** (aka **BESTONLINEGIFTCENTER.COM**), also dba **BRAND NAME AMERICA** (aka **BRANDNAMEAMERICA.COM**), also dba **BRAND NAME GOODIES** (aka **BRANDNAMEGOODIES.COM**), also dba **BRAND NAME REWARDS** (aka **BRANDNAMEREWARDS.COM**), also dba **BRAND NAME TEST PANEL** (aka **BRANDNAMETESTPANEL.COM**), also dba **BRAND SURVEY CENTER** (aka **BRANDSURVEYCENTER.COM**), also dba **BRAND SURVEY PORTAL** (aka **BRANDSURVEYPORTAL.COM**), also dba **CUSTOMER DIRECT SAVINGS** (aka **CUSTOMERDIRECTSAVINGS.COM**), also dba **CUSTOMER ONLINE SAVINGS** (aka **CUSTOMERONLINESAVINGS.COM**), also dba **CUSTOMER SURVEY REWARDS** (aka **CUSTOMERSURVEYREWARDS.COM**), also dba **NAME BRAND SURVEYS** (aka **NAMEBRANDSURVEYS.COM**), also dba **PRIZE REWARD CENTER** (aka **PRIZERewardCenter.COM**), also dba **PRIZE REWARD PORTAL** (aka **PRIZERewardPortal.COM**), also dba **PURE GIFT CENTER** (aka **PUREGIFTCENTER.COM**), also dba **SURVEY REWARDS CENTER** (aka **SURVEYREWARDSCENTER.COM**), also dba **THE PERFECT GIFT CENTER** (aka **THEPERFECTGIFTCENTER.COM**), also dba **TOTAL REWARD ZONE** (aka **TOTALREWARDZONE.COM**), also dba **YOUR BIG PRIZE** (aka **YOURBIGPRIZE.COM**), and DOES ONE through FIFTY, inclusive,, and alleges violations of **CAN-SPAM Act**, 15

1 **U.S.C. §7704(a) and (b)** and **California Business and Professions Code §17529.5(a)** and  
 2 requests injunctive relief, liquidated damages, statutory damages, aggravated damages, and  
 3 attorney fees authorized as remedies under **15 U.S.C. §7706(g)** and **California Business and**  
 4 **Professions Code § 17529.5(b)(1)(B)**.

#### 5 **JURISDICTION AND VENUE**

6 1. This Court has original jurisdiction of this action pursuant to **28 U.S.C. §1331** for  
 7 violations of the **CAN-SPAM Act of 2003 (15 U.S.C. §§7701 et seq.)**. This Court also has  
 8 original jurisdiction under **15 U.S.C. §7706(g)(1)** for cases involving a civil action by an  
 9 **internet access provider** adversely affected by a violation of section **15 U.S.C. §7704(a)(1)**,  
 10 **15 U.S.C. §7704(b)**, or **15 U.S.C. §7704(d)**, or a pattern or practice that violates paragraphs  
 11 **(2), (3), (4), or (5) of 15 U.S.C. §7704(a)**. Pursuant to pendent jurisdiction, attendant and  
 12 related causes of action, arising from the same facts, are also brought under California law,  
 13 including, but not limited to, violations of **California Business & Professions Code §17529.5**.

14 2. This Court has personal jurisdiction over Defendant **PURE ADS, LLC**,  
 15 (hereinafter "**PURE ADS**") which maintains offices at 1730 Federal Highway, Suite #345,  
 16 Delray Beach, Florida 33483, according to representations made to the Secretary of State of  
 17 Florida (See **Exhibit "A,"** Florida Secretary of State Business Portal Report). Plaintiff alleges  
 18 on good cause and belief that the other **dba's** named in this suit are copyrighted brand names  
 19 owned by **PURE ADS**. Therefore, the court has personal jurisdiction pursuant to physical  
 20 presence of the Defendant within the court's territorial jurisdiction. **Burnham v. Sup.Ct.**, 495  
 21 US at 610–611, (1990).

22 3. Plaintiff received **5360** emails containing advertisements for **PURE ADS** and their  
 23 marketing brands as named in this suit. **4668** of these emails contain the address of **PURE**  
 24 **ADS** at 1730 FEDERAL HIGHWAY, SUITE #345, DELRAY BEACH FL 33483, in the body of  
 25 the emails. (See **Exhibit "B,"** for samples of the emails containing the **PURE ADS** address.)  
 26 Each emails refers to the Delray Beach address and that of one of the brand names identified  
 27 as belonging to **PURE ADS**. URL links within the emails direct the recipient to sites named as  
 28 the brands for **PURE ADS**. (See **Exhibit "B"** for sample emails and **Exhibit "C"** for printed

1 versions of the brand name web sites.)

2 4. The WHOIS information for each of the brand names indicates that the sites are  
3 registered using a privacy protection service, and the identity of the true owners is available  
4 only by issuing a subpoena. However, a check of the IP addresses for these sites indicates  
5 that **PURE ADS** is the customer for IP addresses for these brand web sites. (See **Exhibit "D"**  
6 for the WHOIS reports for the brand web sites and the associated IP addresses.)

7 5. Plaintiff alleges on good cause and belief that Defendant has contracted with  
8 California companies to send the emails complained of herein. The emails contain the names  
9 and addresses of four California businesses that Defendant has apparently contracted with to  
10 send part of the subject emails:

11 Fan Bll Inc / Media Time  
12 ECM #46527  
13 PO Box 515381  
14 Los Angeles, CA 90051-6681

15 Adtrack Marketing  
16 100 E. San Marcos Blvd. Suite 370  
17 San Marcos, CA 92069

18 Griffith Park Media  
19 4209 Santa Monica Blvd. Suite 100  
20 Los Angeles, CA 90029

21 Software Innovations Inc.  
22 160 W. Foothill Pkwy, Suite 105-20  
23 Corona, CA 92882

24 (See **Exhibit "E"** for sample emails supposedly from these California Companies).

25 6. Therefore, Defendant has created continuous and ongoing business  
26 relationships with businesses in California, the forum state, through these contracts. In  
27 addition, the emails themselves contemplate the creation of an additional ongoing business  
28 relationship with the residents of California to whom the emails were sent in the form of a  
contract. This relationship is established by the recipient going to **PURE ADS** brand web sites,  
providing information, agreeing to the terms and conditions at the web sites, and agreeing to  
sign up for sponsor offers in order to receive prizes or gifts. This represents a contractual  
relationship between the advertiser (offeror, **PURE ADS**), the email recipient (acceptor), and

1 compensation (recipient information and acceptance of sponsor offers for awards). Therefore,  
 2 Defendant has established continuous and systematic relations in the forum state that are the  
 3 subject of the law suit (the emails) creating certain minimal contacts with the forum such that  
 4 "the maintenance of the suit does not offend traditional notions of fair play and substantial  
 5 justice." *International Shoe Co. v. Washington*, 326 U.S. 310 at 320 (1945).

6 7. Defendants have purposely availed themselves of the privileges of conducting  
 7 activities in the forum, the emails are the subject of the action, and exercise of jurisdiction is  
 8 reasonable since Defendants should have known that they would be subject to the jurisdiction  
 9 and laws of the forum when commercial emails and advertisements were sent to email  
 10 accounts at a Northern California Internet Access Provider. *Aitken v. Communications*  
 11 *Workers of America*, 496 F.Supp.2d 653 at 659 (E.D.Va.,2007); *Verizon Online Services,*  
 12 *Inc. v. Ralsky*, 203 F.Supp.2d 601 at 611 - 620 (E.D.Va.,2002); and *Internet Doorway, Inc. v.*  
 13 *Parks*, 138 F.Supp.2d 773 at 779 - 780 (S.D.Miss.,2001).

14 8. Therefore, Plaintiff has factual support and good reason to believe the emails  
 15 and advertisements were sent by or for Defendant **PURE ADS** in order to create ongoing  
 16 business relations in the forum, and the court therefore has specific personal jurisdiction over  
 17 the Defendants.

18 9. Venue is proper in this Court pursuant to **28 U.S.C. §1391(b)** and is founded on  
 19 the fact that a substantial part of the unlawful actions of the defendants occurred in this judicial  
 20 district, that is the emails were sent to an Email and Internet Access Provider in Garberville,  
 21 California.

## 22 **FACTUAL ALLEGATIONS**

23 10. Plaintiff is informed and believes and therefore alleges that Defendant **PURE**  
 24 **ADS** is a Florida Limited Liability Company. (see **Exhibit "A"**) Defendant **PURE ADS** is  
 25 believed to be a limited liability company or the agent of a limited liability company or  
 26 partnership providing internet marketing services to retailers selling to residents of the United  
 27 States and California over the internet.

28 11. Plaintiff is informed and believes and therefore alleges that Defendants **BEST**

18 (hereafter “**BRANDS**”), are aliases or agents for Defendants **PURE ADS**. (See **Exhibit “D”**  
19 for the WHOIS reports for the brand web sites and the associated IP addresses; also see  
20 **Exhibit “B,”** for samples of the emails containing the **PURE ADS** address.)

21 12. Plaintiff **ASIS INTERNET SERVICES (hereafter “ASIS”)** does not know the  
22 true names and capacities of Defendants **PURE ADS, BRANDS, and DOES ONE to FIFTY,**  
23 **inclusive,** their business capacities, their ownership connection to the business(s), nor their  
24 relative responsibilities in causing the ***CAN-SPAM Act of 2003*** and other violations herein  
25 complained of, and alleges, on information and belief, a joint venture and common enterprise  
26 by all such defendants. Plaintiff is informed and believes that each of the defendants herein,  
27 including **DOES ONE to FIFTY, inclusive,** is the agent, ostensible agent, master, servant,  
28 employer, employee, representative, franchiser, franchisee, joint venturer, partner, and

1 associate, or such similar capacity, of each of the other defendants, and was at all times acting  
 2 and performing, or failing to act or perform, with the authorization, consent, permission or  
 3 ratification of each of the other defendants, and is responsible in some manner for the acts and  
 4 omissions of the other defendants in legally causing the violations and damages complained of  
 5 herein, and have approved or ratified each of the acts or omissions of each other defendant,  
 6 as herein described. Plaintiff will seek leave to amend this Complaint when the true names,  
 7 capacities, connections and responsibilities of defendants **PURE ADS, BRANDS, and DOES**  
 8 **ONE to FIFTY, inclusive**, are ascertained.

9 13. Plaintiff is informed and believes and therefore alleges that all named  
 10 defendants, including **DOES ONE to FIFTY, inclusive**, conspired to commit the acts  
 11 described herein, or alternatively, aided and abetted one another in the performance of the  
 12 wrongful acts hereinafter alleged.

13 14. Plaintiff **ASIS** is a California corporation registered to do business in California  
 14 and is located in Garberville, California. **ASIS** provides Internet access service within the  
 15 meaning of **15 U.S.C. §7702(11)** and email service within the meaning of **California Business**  
 16 **& Professions Code §17529.5**.

17 15. Plaintiff alleges that Defendants sent or caused to have sent **5360** commercial  
 18 electronic mail messages from **July 8, 2007, through February 21, 2008**, to Plaintiff **ASIS'**  
 19 servers, protected computers, containing, and/or accompanied by, header information that was  
 20 materially false or materially misleading.

21 16. Plaintiff received Defendant's emails and Plaintiff has suffered adverse affect  
 22 from the sending and receipt of Defendant's emails. Plaintiff's web site has a clear notice that  
 23 misuse of its resources is prohibited:

24 "ASIS provides the use of its equipment and services for the  
 25 exclusive use of its subscribing customers. ASIS prohibits the use  
 26 of its equipment and services by anyone other than its subscribing  
 27 customers for any purpose unless specifically authorized by ASIS  
 28 in writing. ASIS specifically prohibits the use of its equipment and  
 services, including but not limited to mail servers, for delivery,  
 transmission, or re-transmission of unsolicited commercial emails  
 (UCE) or unsolicited bulk emails (UBE)."

1 See **ASIS' Acceptable Use Policy** at [www.asis.com](http://www.asis.com).

2 17. Plaintiff alleges that Defendants sent or caused to have sent **5360** commercial  
3 electronic mail messages from **July 8, 2007, through February 21, 2008**, to Plaintiff **ASIS'**  
4 servers with a subject line that a person would know would be likely to mislead a recipient,  
5 acting reasonably under the circumstances, about a material fact regarding the contents and  
6 subject matter of the message.

7 18. Plaintiff states that the email accounts that the **5360** commercial emails sent to  
8 **ASIS** accounts did not solicit the emails. These emails were unsolicited because they were  
9 sent to unassigned or inactive email accounts owned by **ASIS**. **ASIS** did not solicit any  
10 product, service, or information from any entity using these email accounts.

11 19. Plaintiff **ASIS** alleges that Defendants sent or caused to have sent **5360**  
12 unsolicited e-mail advertisements containing and/or accompanied by falsified, misrepresented,  
13 or forged header information.

14 20. Plaintiff **ASIS** alleges that Defendants sent or caused to have sent **5360**  
15 unsolicited e-mail advertisements containing and/or accompanied by misleading subject lines.

16 21. Plaintiff alleges that Defendants used a harvest and directory attack to acquire  
17 Plaintiff's and Plaintiff's customers email accounts to send **5360** commercial electronic mail  
18 messages to Plaintiff's protected computers. Many of the email accounts receiving the emails  
19 have not been active for several years.

20 22. Plaintiff alleges that Defendants used an automated creation of multiple email  
21 accounts to send **5360** commercial electronic mail messages to Plaintiff's protected  
22 computers.

#### 23 **FIRST CAUSE OF ACTION**

24 **(Violation of CAN-SPAM Act of 2003 – 15 U.S.C. §7704(a)(1) and (2),  
and 15 U.S.C. §7704(b)(1) and (2))**

25 23. Plaintiff refers to the allegations of the preceding paragraphs of this complaint,  
26 and incorporates the same herein by this reference as though set forth in full.

27 24. On **July 8, 2007, through February 21, 2008**, Plaintiff **ASIS** received **5360**  
28 commercial electronic mail messages from defendants to its mail server located in California

1 that violated the **CAN-SPAM Act of 2003**.

2       25. Plaintiff alleges that all of the relevant electronic mails sent by or on behalf of the  
3 Defendants on **July 8, 2007, through February 21, 2008**, contained or were accompanied by  
4 header information that was materially false or materially misleading. Each of these **5360**  
5 messages indicated that they were from email accounts from domain names such as  
6 2008Site.com, BESTAVAILABLEGIFTS.COM, and candycuddy.com. (See **Exhibit "F"** for a  
7 complete list of the sending domain names at issue in this action.) See sample emails and  
8 source code in **Exhibit "B"** attached hereto. (Note that all receiving email accounts have  
9 been redacted, while these email all represent inactive email accounts they are still the  
10 property of **ASIS** and are protected by Plaintiff's corporate privileges.) A WHOIS check of the  
11 domain name registration for the sender of all of the emails indicates that the domain names  
12 were registered using a privacy or proxy service. (See **Exhibit "G"** for WHOIS reports for the  
13 sending email account domain names.) The true registrant for the sender of all of the emails  
14 cannot be determined without a subpoena. Plaintiff has reviewed the Domain Name  
15 registration for all of the sending Domain Names and determined that all of the emails were  
16 sent using email accounts registered to domain names that are registered under services that  
17 conceal the true identity of the domain name registrant through a proxy service or privacy  
18 service. Also see the domain name privacy/proxy service registration agreements in **Exhibit**  
19 **"H"**.

20       **15 U.S.C. §7704(a)(1)(A)** states:

21               “(A) header information that is technically accurate but includes an  
22               originating electronic mail address, domain name, or Internet  
23               Protocol address the access to which for purposes of initiating the  
24               message was obtained by means of false or fraudulent pretenses  
25               or representations shall be considered materially misleading.”

26       **15 U.S.C. §7704(a)(6)** states:

27               “the term "materially" when used with respect to false or misleading  
28               header information, includes the alteration or concealment of  
29               header information in a manner that would impair the ability of an  
30               Internet access service processing the message on behalf of a  
31               recipient, a person alleging a violation of this section, or a law  
32               enforcement agency to identify, locate, or respond to a person who  
33               initiated the electronic mail message or to investigate the alleged

violation..."

The registration agreements for the proxy/privacy services prohibit the use of domain names registered in this manner to send bulk commercial emails. Therefore, since false information was used to generate the domain names and/or domain names were concealed from investigation through proxy/privacy services the electronic mail messages violated **15 U.S.C. §7704(a)(1)(A)**.

26. Plaintiff further alleges that the Defendants sent or had sent **5360** separate items of electronic mail to Plaintiff's computers that include a subject line that a person would know would be likely to mislead a recipient, acting reasonably under the circumstances, about a material fact regarding the contents and subject matter of the message. **15 U.S.C. §7704(a)(2)(1)** defines two methods for determining if a subject line is misleading: "1) if such person has actual knowledge," or 2) "knowledge fairly implied on the basis of objective circumstances." Plaintiff alleges that the "circumstances" required are plainly visible in the actual subject lines of the emails. Defendants advertise and market their offers through email and Web-based ads. **5360** of the emails received by Plaintiff contain statements such as "Free Nokia N95 Today!", "Your 1000 Walmart (R) Card - confirm for shipment", "Free Dell Laptop", and "Get a FREE MacBook Air!" in the subject lines. See **Exhibit "I"** for a complete list of the email subject lines. In the email body the advertisement further enticed the recipient by purporting to provide shipping instructions for the prizes. The email subject lines received by Plaintiff were clearly intended to get someone to open the email by enticing them with free gifts. (See **Exhibit "B"** for samples of the emails.) (Note that all receiving email accounts have been redacted, while these email all represent inactive email accounts they are still the property of **ASIS** and are protected by corporate privilege.)

27. **15 U.S.C. 7704(a)(2)** states that a violation is proper if consistent with **15 U.S.C. 45**. **15 U.S.C. 45** is titled "Unfair methods of competition unlawful; prevention by Commission," and enables the Federal Trade Commission to issue orders regarding unfair trade practices. **15 U.S.C. 45(d)** provides that the orders of the Commission are exclusive unless overturned by the United States Court of Appeals. The FTC has issued 16 **CFR** part 251, "Guide

1 concerning use of the word ‘free’ and similar representations.” 16 **CFR** Part 251 states that  
2 the terms of the offer should be set out clearly and conspicuously at the outset of the offer so  
3 that no misunderstanding can occur. Most of the emails subject lines represent that the  
4 recipient has received a free gift. For example the email with the subject line “Free Nokia N95  
5 Today!” further states in the body of the email “CLAIM YOUR NOKIA N95” in a large blinking  
6 box. The web sites that the email recipient is directed to contain extensive terms and  
7 conditions that require the recipient to provide personal information and their agreement to  
8 take several “sponsor offers.” See **Exhibit “J”** for samples of the Terms and Conditions of  
9 the “**BRANDS.**” See **Exhibit “K”** for printouts of the Defendant’s website for the “Free Nokia  
10 N95 Today!” Only by going to Defendant’s web sites can the recipient find out what the terms  
11 and conditions are for the supposedly free gifts. 16 **CFR** Part 251 requires that this information  
12 be on the same page displayed in a conspicuous manner. The terms and conditions are not  
13 mentioned in the subject line and are not contained anywhere in the email body. This  
14 evidence indicates and Plaintiff alleges that the subject lines and advertisements contained in  
15 the emails are in violation of 16 **CFR** Part 251 and therefore also in violation of **15 U.S.C.**  
16 **§7704(a)(2).**

17 28. Plaintiff further alleges that most of the emails sent to plaintiff’s computer include  
18 statements in the body of the emails stating that they are email advertisements from **BRANDS.**  
19 Uniform Resource Locators (hereafter URLs) contained in all of the emails directed the  
20 recipient to websites of **BRANDS.** Plaintiff alleges that these entities, trademarks, and  
21 websites are owned by **PURE ADS.**

22 29. Plaintiff further alleges that they received **5360** of separate items of electronic  
23 mail from the Defendants to email addresses that had not existed for the prior year and had  
24 not requested or agreed to accept any solicitations.

25 30. Plaintiff further alleges that the Defendants sent or had sent **5360** separate items  
26 of electronic mail to Plaintiff’s computers that were acquired as the result of a directory harvest.  
27 Said conduct was in violation of **15 U.S.C. §7704(b)(1).**

28 31. Plaintiff further alleges that the defendants sent or had sent **5360** separate items

1 of electronic mail to plaintiff from addresses that were acquired by the use of automated tools  
2 or scripts. Said conduct was in violation of **15 U.S.C. §7704(b)(2)**.

3 32. As a proximate result of said unlawful conduct by said Defendants, Plaintiff is  
4 entitled to statutory damages in the amount of up to \$100.00 per email in the case of violation  
5 of **15 U.S.C. §7704(a)(1)** and up to \$25.00 per email in the case of each violation of  
6 subsections **15 U.S.C. §7704(a)(2)** in the form of statutory damages as set forth in **15 U.S.C.**  
7 **§7706(g)(1)(B)(ii) and (3)(A)(i) and (ii)**.

8 33. As a proximate result of said unlawful conduct by said defendants, Plaintiff is  
9 entitled to treble all statutory damages as a result of violation of any section of **15 U.S.C.**  
10 **§7704(b)** as set forth in **15 U.S.C. §7706(g)(1)(C)**.

11 34. Plaintiff furthermore seeks a preliminary and permanent injunction against the  
12 defendants for its current and future violations of the **CAN-SPAM Act of 2003** as Plaintiff and  
13 members of the general public will continue to incur damages as a result of the unlawful  
14 conduct of said defendants. The seeking of injunctive relief by plaintiff is specifically  
15 authorized by **15 U.S.C. §7706(g)(1)(A)**.

16 35. Plaintiff furthermore seeks its attorney fees and costs against the defendants  
17 pursuant to **15 U.S.C. §7706(g)(4)**.

## 18 SECOND CAUSE OF ACTION

### 19 (Violation of *California Business and Professions Code §17529.5* 20 **Unlawful activities relating to commercial email advertisements.**)

21 36. Plaintiff hereby incorporates by reference the preceding paragraphs, inclusive, as  
22 if the same were fully set forth herein.

23 37. Plaintiff alleges that all of the relevant electronic mails sent by or on behalf of the  
24 Defendants on **July 8, 2007, through February 21, 2008**, contained or were accompanied by  
25 header information that was materially false or materially misleading. Each of these **5360**  
26 messages indicated that they were from email accounts from domain names such as  
27 2008Site.com, BESTAVAILABLEGIFTS.COM, and candycuddy.com. See **Exhibit "F"** for a  
28 complete list of the domain names at issue in this action. See sample emails and source code  
in **Exhibit "B"** attached hereto. (Note that all receiving email accounts have been redacted,

1 while these email all represent inactive email accounts they are still the property of **ASIS** and  
2 are protected by Plaintiff's corporate privileges.) A WHOIS check of the domain name  
3 registration for the sender of all of the emails indicates that the domain names were registered  
4 using a privacy or proxy service. See **Exhibit "G"** The true registrant for the sender of all of  
5 the emails cannot be determined without a subpoena. Plaintiff has reviewed the Domain  
6 Name registration for all of the sending Domain Names and determined that all of the emails  
7 were sent using email accounts registered to domain names that are registered under services  
8 that conceal the true identity of the domain name registrant through a proxy service or privacy  
9 service.

10 38. Therefore, the electronic mail violated **California Business and Professions**  
11 **Code § 17529.5(a)(2)**.

12 39. Plaintiff further alleges that the Defendants sent **5360** separate unsolicited  
13 electronic mail advertisements to plaintiff's computers that include various subject lines that  
14 were false and misleading and would be likely to mislead a recipient, acting reasonably under  
15 the circumstances, about a material fact regarding the contents or subject matter of the  
16 message in violation of **California Business and Professions Code § 17529.5(a)(3)**. Plaintiff  
17 alleges that the "circumstances" required are plainly visible in the actual subject lines of the  
18 emails. The email subject lines received by Plaintiff were clearly intended to get someone to  
19 open the email by enticing them with free gifts such as: "Free Nokia N95 Today!", "Your 1000  
20 Walmart (R) Card - confirm for shipment", "Free Dell Laptop", and "Get a FREE MacBook Air!"  
21 in the subject lines. See **Exhibit "I"** for a complete list of the email subject lines. The email  
22 subject lines received by Plaintiff were clearly intended to get someone to open the email by  
23 enticing them with free gifts. See **Exhibit "B"** for sample emails. (Note that all receiving  
24 email accounts have been redacted, while these email all represent inactive email accounts  
25 they are still the property of **ASIS** and are protected by corporate privilege.)

26 40. As a proximate result of said unlawful conduct by said Defendants, Plaintiff is  
27 entitled to liquidated damages in the amount of \$1,000.00 for each unsolicited commercial  
28 email transmitted in violation of **California Business and Professions Code § 17529.5(a)** as

1 set forth in **California Business and Professions Code § 17529.5(b)(1)(B)(ii)**.

2 41. Plaintiff furthermore seeks its attorney fees and costs against the defendants  
3 pursuant to **California Business and Professions Code §17529.5(b)(1)(C)**.

4 **WHEREFORE**, plaintiff prays judgment against the defendants and each of them as  
5 follows:

6 1. For statutory damages of up to \$100.00 for each violation of **15 U.S.C.**  
7 **§7704(a)(1)** and up to \$25.00 in the case of violations of **§7704(a)(2)** in the sum of **\$670,000**;

8 2. For aggravated damages under **15 U.S.C. §7706(g)(1)(C)** of up to three times  
9 the amount above for these violations committed by the defendants' violations of **15 U.S.C.**  
10 **§7704(b)** in the sum of **\$2,010,000**;

11 3. For a preliminary and permanent injunction preventing the defendants and all  
12 persons acting in concert with them from the violation of the **Can-Spam Act of 2003**;

13 4. For liquidated damages of \$1000.00 for each violation of **California Business**  
14 **and Professions Code § 17529.5(a)** in the sum of **\$5,360,000**;

15 5. For an award of reasonable attorneys' fees and costs according to proof;

16 6. For costs of suit; and

17 7. For such other and further relief as this Courts deems just and proper.

[I WANT MY NOKIA N95!](#)

The advertisement graphic features a light blue background. On the left, the text "Would you like to test and keep a" is in black, followed by "FREE Nokia N95?" in large, bold blue letters. Below this, in smaller text, it says "With participation. See offer details." A large, light blue button with rounded corners contains the text "Claim Your Nokia N95" in dark blue. To the right of the button is a silver Nokia N95 phone, shown open, displaying a menu with options like "Gallery", "Images & video", "Tracks", "Sound clips", "Streaming links", and "Presentations". Below the phone is a dark blue Nokia N95 phone, shown closed, with a large circular camera lens on the back. A blue circular badge with a white border and the number "5" inside is positioned next to the closed phone, with the text "Megapixel Camera" below it. At the bottom left, there are logos for "FedEx Ground" and "PC EDITORS' CHOICE". To the right of the "PC EDITORS' CHOICE" logo is a small asterisk and the text "Most powerful multimedia phone in the USA.".

Unless otherwise specified, each service purchased from us is for a two-year initial term and renewable in perpetuity thereafter for successive one-year terms. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions set forth below in this Agreement. If we are notified that a complaint has been filed with a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may prohibit you from making changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name in a holding account until such litigation is concluded.

You hereby agree to indemnify, defend and hold harmless VeriSign, Inc., and its directors, officers, employees, agents and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to your domain name registration.

15. BREACH. You agree that your failure to abide by any provision of this Agreement, any of our operating rules or policies, the dispute resolution policy, or your willful provision of inaccurate or unreliable information as part of the application process, or your failure to update your information to keep it current, complete or accurate, or your failure to respond for over fifteen (15) calendar days to inquiries from us concerning the accuracy of the contact details associated with your domain name registration, may be considered by us to be a material breach of this Agreement and that we may provide a written notice, describing the breach, to you. We will not refund any fees paid by you if we terminate your Agreement due to your breach. Any such breach by you shall not be deemed to be excused simply because we did not act earlier in response to that, or any other breach, by you.

16. NO GUARANTY. You agree that the registration of your chosen domain name, in itself, does not confer immunity from objection to either the registration or use of your domain name.

17. REPRESENTATIONS AND WARRANTIES. You agree and warrant that: (i) the information that you or your agent on your behalf provide to us during the application process to register your domain name or to apply for other service(s) is, to the best of your knowledge and belief, accurate and complete, and that any future changes to this information will be provided to us in a timely manner according to the modification procedures in place at that time, (ii) to the best of your knowledge and belief neither the registration of your domain name nor the manner in which you intend to use such domain name will directly or indirectly infringe the legal rights of a third party, (iii) you have all requisite power and authority to execute this Agreement and to perform your obligations hereunder, (iv) you have selected the necessary security option(s) for your domain name registration record, and (v) you are of legal age to enter into this Agreement. 18. DISCLAIMER OF WARRANTIES. WE EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. WE MAKE NO WARRANTY THAT OUR SERVICE(S) WILL MEET YOUR REQUIREMENTS, OR THAT THE SERVICE(S) WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR FREE; NOR DO WE MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE(S) OR AS TO THE ACCURACY OR RELIABILITY OF ANY INFORMATION OBTAINED THROUGH OUR SERVICE. YOU UNDERSTAND AND AGREE THAT ANY MATERIAL AND/OR DATA DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF OUR SERVICE IS DONE AT YOUR OWN DISCRETION AND RISK AND THAT YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OF SUCH MATERIAL AND/OR DATA. WE MAKE NO WARRANTY REGARDING ANY GOODS OR SERVICES PURCHASED OR OBTAINED THROUGH ANY OF OUR SERVICES OR ANY TRANSACTIONS ENTERED INTO

TO THE EXTENT JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES, SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

19. **REVOCATION.** You agree that we may terminate your contractual right to use our service(s) if the information that you are obligated to provide to register your domain name or register for other service(s), or that you subsequently modify, contains false or misleading information, or conceals or omits any information we would likely consider material to our decision to register your domain name or to continue to provide you domain name registration services. Furthermore, you agree that we may suspend, cancel or transfer your domain name registration (and any additional services) in order to: (i) correct mistakes made by us or the registry in registering your chosen domain name, or (ii) to resolve a dispute under our dispute policy. We will not refund any fees paid by you if we terminate your services.

20. **RIGHT OF REFUSAL.** You agree that we may, in our sole discretion and without liability to you, refuse to accept the registration of any domain name. We may also in our sole discretion and without liability to you, delete the registration of any domain name during the first sixty days after the initial registration date. In the event that we refuse a domain name registration, or delete an existing registration during the first sixty days after the initial registration date, you will receive a refund of fees paid to us for such registration. Spot Domain may also cancel the registration of a domain name, after the initial sixty-day period, if that name is being used in association with spam or objectionable (either morally or otherwise) activities. Objectionable activities may include, but are not limited to: activities designed to defame, abuse, threaten, or harass third parties; activities prohibited by the laws of the United States; activities prohibited in foreign territories in which you conduct business; activities designed to encourage unlawful behavior by others; activities that are tortuous, invasive of the privacy of a third party, racially, ethnically, or otherwise objectionable; and activities designed to impersonate the identity of a third party. In the event that we delete the registration of a domain name being used in association with spam or objectionable activities, no refund will be issued.

21. **DOMAIN NAME EXPIRATION; GRACE PERIOD; IP ADDRESS CHANGES; REDEMPTION PERIOD; RENEWAL AND TRANSFER.** You agree that we may, but are not obligated to, allow you to renew your domain name after its expiration date has passed. We do not auto renew domain names. As the owner of the domain you must specifically renew each domain with us. You agree that after the expiration date of your domain name registration and before it is deleted or renewed, we may direct your domain name to an IP address designated by us, including, without limitation, to an IP address which hosts our temporary parking page that may include, among other things, advertisements for Domainsite.com's products or services, third party advertisements, and interfaces to other web pages including search engines. You agree that we may place our contact information in the WHOIS output for the expired domain name. Should you choose not to renew your domain name during any applicable grace period, you agree that we may, in our sole discretion, renew and transfer the domain name to a third party or delete the domain. Domain names that have not been renewed, and for which a decision has been made to delete, will be deleted between 35 and 45 days after the expiration date. Any domain that gets deleted enters redemption period, if supported by the registry. During this time, generally 30 days, the previous owner of the domain can redeem the registration for \$120 USD.

22. **PARKED DOMAINS.** Every time you register a domain name with Domainsite.com, your name will be pointed to our "Future Home of...." page, which acts as a place holder for your domain name's future web page. This page may contain third-party advertisements, links to other products and services offered by DomainSite.com, and interfaces to other web pages, including search engines, among other things. You will not receive notice regarding the additional content located on the Future Home Of page, and such content may be modified at any time. If you would like a preview of such a Future Home Of page, click here. If you have any objection to having your newly registered domain name pointed to a Future Home Of page, please let our Customer Service department know by clicking here [support@domainsite.com](mailto:support@domainsite.com).

If any term or provision is declared invalid or unenforceable, that term or provision will be construed consistent with applicable law as nearly as possible to reflect the original intentions of the parties, and the remaining terms and provisions will remain in full force and effect.

24. **ENTIRETY.** You agree that this Agreement and the rules and policies published by us, including without limitation our dispute resolution policy and our privacy statement, comprise the complete and exclusive agreement between you and us regarding our services. Your rights under this Agreement are not assignable and any attempt by your creditors to obtain an interest in your rights under this Agreement, whether by attachment, levy, garnishment or otherwise, renders this Agreement voidable at our option.

## 6. GRACE PERIOD; IP ADDRESS CHANGES; RENEWAL AND TRANSFER OF EXPIRED DOMAIN NAMES ON YOUR BEHALF.

[Click here](#) to review the Domain Deletion and Auto-Renew Policy

You agree that we may, but are not obligated to, allow you to renew your domain name after its expiration date has passed. You agree that after the expiration date of your domain name registration and before it is deleted or renewed, we may direct your domain name to an IP address designated by us, including, without limitation, to an IP address which hosts a parking, under construction, or other temporary page that may include promotions and advertisements for, and links to, Moniker's Web site, Moniker product and service offerings, third-party Web sites, third-party product and service offerings, and/or Internet search engines and/or advertisements, and you agree that we may place our contact information in the WHOIS output for the expired domain name. Should you not renew your domain name during any applicable grace period, you agree that unless you notify us to the contrary we may, in our sole discretion, renew and transfer the domain name to our control, or a third party on your behalf (such a transaction is hereinafter referred to as a "Post Term Renewal and Transfer"), and your failure to so notify us after the domain name expiration date shall constitute your consent to such a Post Term Renewal and Transfer. In the event we are able to identify such a third party and effectuate such a Post Term Renewal and Transfer, we may notify you via email

after the transaction is completed. Additionally, in our discretion, you may be eligible to receive a portion of the Net Proceeds received by us as a result of a Post Term Transfer of your domain name. These Net Proceeds will be added to your account and are to be used for Moniker related services only. For purposes of this paragraph, "Net Proceeds" shall mean the total fees paid to us by another party or our third party vendor as a result of a Post Term Renewal and Transfer, less any registry fees, credit card charge-backs, processing and check fees, and other costs or fees associated with the Post Term Renewal and Transfer of the domain name. If we do pay you a portion of the Net Proceeds, they will be added to your Moniker account to be used for domain related services only. You agree that we shall have no obligation to pay you, and you shall have no right to receive, any percentage of the Net Proceeds unless, within ninety (90) days after the date of our notification to you, you first provide us with the name, address and related information requested by us (including, but not limited to, a Form W-9, if applicable) in our notification. We cannot guarantee, and we make no representation or promise, that any Post Term Renewal and Transfer will occur with respect to your domain name or that we will pay you any Net Proceeds.

## 7. NEW CUSTOMERS THROUGH A BACKORDER SERVICE.

[Click here](#) to review the Domain Deletion and Auto-Renew Policy

If you are registering a domain name through a backorder service and that domain name was registered with, and not yet deleted by, Moniker at the time of your purchase, you acknowledge and agree that the term of your registration will be for a period of one year from the original expiration date, (not the date in which you took control of the domain name) for the domain name immediately prior to your purchase, as the registration is the result of a Post Term Renewal and Transfer. If you are registering a domain name through a backorder service and the domain name was not registered with Moniker at the time of your purchase but was deleted by the applicable top-level domain registry at the time of your purchase, you acknowledge and agree that the term of your registration will be for a period of one year from the date it is initially registered with Moniker or another registrar by the provider of the backorder service.

## 8. MODIFICATIONS TO YOUR ACCOUNT

In order to change any of your account information with us, you must use your Account Number or User Name and the Password. The current version of this dispute policy may be found at our Web site: <http://www.moniker.com/help/disputepolicies.jsp>. Please take the time to familiarize yourself with that policy.

## 10. DOMAIN NAME DISPUTE POLICY MODIFICATIONS

You agree that we, in our sole discretion, may modify our dispute policy. We may post any such revised policy on our Web site at least thirty (30) calendar days before it becomes effective. You agree that, by maintaining the reservation or registration of your domain name after modifications to the dispute policy become effective, you have agreed to these modifications. You acknowledge that if you do not agree to any such modification, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

## 11. DOMAIN NAME DISPUTES

You agree that, if your use of our domain name registration services is challenged by a third party, you will be subject to the provisions specified in our dispute policy in effect at the time of the dispute. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions set forth below in this Agreement. If we are notified that a complaint has been filed with another registrar, a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may not allow you to make changes to such domain name record until we are directed to do so by the judicial or administrative body, or we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name record into the registry of the court by supplying a party with a registrar certificate from us. You agree that we will comply with all court orders, domestic or international, directed against you and/or the domain name registration and may move such domains into our disputed domain account at Moniker. The Registered Name Holder shall agree that its registration of the Registered Name shall be subject to suspension, cancellation, or transfer pursuant to any ICANN adopted specification or policy, or pursuant to any registrar or registry procedure not inconsistent with an ICANN adopted specification or policy, (1) to correct mistakes by Registrar or the Registry Operator in registering the name or (2) for the resolution of disputes concerning the Registered Name.

For the adjudication of disputes concerning or arising from use of the Registered Name, the Registered Name Holder shall

submit, without prejudice to other potentially applicable jurisdictions, to the jurisdiction of the courts (1) of the Registered Name Holder's domicile and (2) where Registrar is located.

## 12. AGENTS

You agree that, if your agent (e.g., an Internet Service Provider, employee, etc.) purchased our service(s) on your behalf, you are nonetheless bound as a principal by all terms and conditions herein, including the dispute policy. Your continued use of our services shall ratify any unauthorized actions of your agent. By acting on your behalf, your agent certifies that he or she is authorized to apply for our services on your behalf, that he or she is authorized to bind you to the terms and conditions of this Agreement and that he or she has apprised you of the terms and conditions of this Agreement. In addition, you are responsible for any errors made by your agent. We will not refund fees paid by you or your agent on your behalf for any reason, including, but not limited to, in the event that your agent fails to comply with the terms and conditions of this Agreement, your agent incorrectly provides information in the application process or if your agent changes or otherwise modifies your domain name record incorrectly.

You agree that our entire liability, and your exclusive remedy, in law, in equity, or otherwise, with respect to any Moniker service(s) provided under this Agreement and/or for any breach of this Agreement is solely limited to the amount you paid for such service(s). Moniker and its contractors shall not be liable for any direct, indirect, incidental, special or consequential damages resulting from the use or inability to use any of the Moniker services or for the cost of procurement of substitute services. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, in such states, our liability is limited to the extent permitted by law. We disclaim any and all loss or liability resulting from, but not limited to:

loss or liability resulting from access delays or access interruptions;

loss or liability resulting from data non-delivery or data mis-delivery;

loss or liability resulting from acts of God;

loss or liability resulting from the unauthorized use or misuse of your Account Number, Password or security authentication option;

loss or liability resulting from errors, omissions, or misstatements in any and all information or service(s) provided under this Agreement;

loss or liability relating to the deletion of or failure to store e-mail messages;

loss or liability resulting from the development or interruption of your Website;

loss or liability as a result of the application of our dispute policy.

## 15. INDEMNITY

You agree to release, indemnify, defend and hold Moniker, in our capacities as the registry and a registrar, and the applicable registry for any top-level domain in which you are applying for services hereunder, and any of our or their contractors, agents, employees, officers, directors, shareholders, affiliates and assigns harmless from all liabilities, claims, damages, costs and expenses, including reasonable attorneys' fees and expenses, of third parties relating to or arising under this Agreement, the Moniker services provided hereunder, your domain name registration, or your use of the Moniker services, including without limitation infringement or dilution by you, or someone else using our service(s) from your computer, of any intellectual property or other proprietary right of any person or entity, or a violation of any of our operating rules or policies relating to the service(s) provided. When we are threatened with suit or sued by a third party, we may seek written assurances from you concerning your promise to indemnify us; your failure to provide those assurances may be considered by us to be a material breach of this Agreement.

You agree to defend, indemnify and hold harmless Moniker Online Services, LLC and Moniker Online Services, Inc., its affiliates and business partners, and any applicable domain name registry, including without limitation VeriSign, Inc., Afiliass Limited, NeuLevel, Inc., NeuStar, Inc., SITA and Public Interest Registry, and their respective subsidiaries and affiliates, and the directors, officers, employees and agents, subcontractors and shareholders of each of them, from and against any and all claims, actions, losses, damages, expenses and costs, including reasonable attorneys' fees and expenses, arising out of or relating to (i) your domain name registration, (ii) any breach by you of this Agreement, including the Dispute Policy, or (iii) any third party claim, action, or demand related to your domain name or the use thereof. This indemnification obligation shall survive the termination or expiration of the registration agreement.

If we are notified that a complaint has been filed with a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may not allow you to make changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name record into the registry of the judicial body by supplying a party with a registrar certificate from us. You agree that we will comply with all court orders, domestic or international, directed against you and/or the domain name registration.

## 16. ADDITIONAL REGISTRY REQUIREMENTS

The following provisions apply to any domain names that you register through Moniker in the relevant registry(ies).

(.INFO) With respect to any registration of a .INFO second level domain name, you agree to the following terms:

You consent to the use, copying, distribution, publication, modification, and other processing of your Personal Data by Afiliass, the .INFO Registry Operator, and its designees and agents in a manner consistent with the purposes specified pursuant in its contract.

You agree to submit to proceedings under ICANN's Uniform Domain Name Dispute Policy (UDRP) and comply with the requirements set forth by Afiliass for domain names registered during the Sunrise Period, including the mandatory Sunrise Dispute Resolution Policy. These policies are subject to modification by Afiliass in its discretion.

You agree to immediately correct and update the registration information for the .INFO registered domain name during registration term for such domain name; failure to correct this information shall constitute a breach of this Agreement.

You acknowledge that Afiliass, the registry operator for .INFO, will have no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the Sunrise Period or the Land Rush Period, including, without limitation: (a) the ability or inability of a registrant to obtain a given domain name during these periods, and (b) the results of any dispute over a Sunrise Registration.

Moniker and Afiliass, the registry operator for .INFO, expressly reserve the right to deny, cancel or transfer any registration that either shall deem necessary, in its discretion, to protect the integrity and stability of the .INFO registry, to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process, or to avoid any liability, civil or criminal, on the part of Moniker and/or Afiliass as well as their affiliates, subsidiaries, officers, directors and employees. Moniker and Afiliass also reserve the right to lock a domain name during resolution of a dispute.

## 17. BREACH

You agree that your failure to abide by any provision of this Agreement, any Moniker operating rule or policy, the dispute policy, or your willful provision of inaccurate or unreliable information as part of the application process, or your failure to update your information to keep it current, complete or accurate, or your failure to respond for over fifteen (15) calendar days to inquiries from us concerning the accuracy of the contact details associated with your domain name registration may be considered by us to be a material breach and that we may provide a written notice, describing the breach, to you. If within ten (10) calendar days of the date of such notice, you fail to provide evidence, which is reasonably satisfactory to us, that you have not breached your obligations under the Agreement, then we may delete the registration or reservation of your domain name and/or terminate the other Moniker service(s) you are using without further notice. We will not refund any fees paid by you if we terminate your Agreement due to your breach. Any such breach by you shall not be deemed to be excused simply because we did not act earlier in response to that, or any other breach, by you.

## 18. NO GUARANTEE

## 23. SEVERABILITY

You agree that the terms of this Agreement are severable. If any term or provision is declared invalid or unenforceable, that term or provision will be construed consistent with applicable law as nearly as possible to reflect the original intentions of the parties, and the remaining terms and provisions will remain in full force and effect.

## 24. ENTIRETY

When requesting to transfer your domain to (or from) Moniker to (or from) another Registrar, Moniker must receive authorization by you in advance of such transfer request. This authorization can come in the form of an email from the account holder and/or registrant, or via authorized fax showing proof of ownership of the domain. When transferring a domain name to Moniker, your registration will be extended for one year, provided that in no event shall the total unexpired term of the registration exceed ten (10) years.

You agree to maintain accurate records appropriate to document and prove the initial domain name registration date, regardless of the number of Registrars with which you entered into a contract for registration services.

Your rights under this Agreement are not assignable and any attempt by your creditors to obtain an interest in your rights under this Agreement, whether by attachment, levy, garnishment or otherwise, renders this Agreement voidable at our option.

## ID Protection Service Agreement

PLEASE READ THIS ID PROTECTION SERVICE AGREEMENT ("AGREEMENT") CAREFULLY. BY USING THE ID PROTECTION SERVICES ("IDP SERVICES"), YOU AGREE TO ALL THE TERMS AND CONDITIONS IN THIS AGREEMENT. YOU AGREE THAT THE "SERVICE PROVIDERS" (DEFINED BELOW) MAY AMEND THIS AGREEMENT BY POSTING THE AMENDED AGREEMENT ON THE WEBSITE WHERE YOU OBTAINED THE IDP SERVICES. YOU AGREE THAT ANY NEW, DIFFERENT OR ADDITIONAL FEATURES THAT CHANGE THE IDP SERVICES WILL AUTOMATICALLY BE SUBJECT TO THIS AGREEMENT. IF YOU DO NOT AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT AND ANY SUBSEQUENT AMENDMENTS HERETO, DO NOT USE, ACCESS, OR CONTINUE TO USE THE IDP SERVICES. CONTINUED USE OF THE IDP SERVICES AFTER CHANGES TO THIS AGREEMENT HAVE BEEN POSTED CONSTITUTES YOUR ACCEPTANCE OF SUCH CHANGES.

This Agreement is by and between Whois Privacy Protection, Inc., a Nevada corporation ("Backend Service Provider"), the party, if any, other than the Backend Service Provider who makes the IDP Services available to you ("Primary Service Provider;" Backend Service Provider and Primary Service Provider, if any, being together referred to herein as the "Service Providers"), your heirs, executors, administrators, agents, successors and assigns ("You," "Your," and other appropriate formatives). This Agreement sets forth the terms and conditions of Your relationship with the Service Providers and Your use of the IDP Services. You acknowledge that You have read, understand and agree to be bound by all the terms and conditions of this Agreement for transactions entered into by: (i) You on Your behalf; (ii) anyone acting as Your agent; (iii) anyone who uses the account You establish to obtain the IDP Services, whether or not the transactions were on Your behalf and/or authorized by You. You agree that You will be bound by representations made by third parties You use to obtain the IDP Services. You further agree to abide by the terms and conditions promulgated by the Internet Corporation for Assigned Names and Numbers ("ICANN"), including the Uniform Domain Name Dispute Resolution Policy ("Dispute Resolution Policy," <http://www.icann.org/dndr/udrp/policy.htm>) any policy which ICANN may establish with respect to WHOIS information, and the terms and conditions of Your domain name registration with Your registrar (the ICANN-accredited person or entity through which You register a domain name). This Agreement is in addition to domain name registration agreement(s) entered into by You and a registrar when you register or renew domain name registration(s).

### 1. THE IDP SERVICES

If you subscribe to the IDP Services, each domain name registration which you control and which You designate ("IDP Domains") will thereafter be registered in the name of the Backend Service Provider, as registrant. Your name, postal address, email address, phone and fax numbers shall be kept confidential, subject to Section 5 of this Agreement. The following information (and not your personal information) will be made publicly available in the "Whois" directory for each IDP Domain:

- The Backend Service Provider's email address, postal address and phone and facsimile number for the registrant, administrative, technical, and billing contacts ("IDP Addresses");
- The primary and secondary domain name servers You designate for the IDP Domain;
- The IDP Domain's original date of registration and expiration date;
- The identity of Your registrar, domain name service provider (if different from registrar) and the status of the IDP Domain with the registrar (such as, "active," "Registrar Lock," "clienthold," etc.).

While You will not be listed as the registrant for the IDP Domains, and other than as described in this Agreement, the Backend Service Provider will not act to control the IDP Domain(s). You will retain the right to sell, transfer, or assign each IDP Domain; You will retain the right to control and set the DNS settings for the IDP Domain(s); You will retain the right to renew each IDP Domain name registration upon expiration (subject to your registrar's applicable rules and policies); and You will remain responsible to resolve any and all monetary or other legal claims that arise in connection with Your IDP Domain(s), subject to the remaining provisions of this Agreement.

**IMPORTANT: THE IDP SERVICES ARE NOT A GENERAL MAIL FORWARDING SERVICE.** You agree that You will not provide any third party with the IDP Addresses for the purpose of having such third party transmit communications to you through the Backend Service Provider. Third parties may obtain the IDP Addresses listed in the Whois directory by their own initiative, but You agree that You will not be the one to provide

the IDP Addresses to such third parties.

## 2. PROVISION OF PERSONAL INFORMATION

You agree that for each IDP Domain, You will provide to the Service Providers and maintain as current and accurate, the following information:

- Your name, address, email address, postal address, phone and fax numbers;
- The name, address, email address, postal address, phone and fax numbers for the IDP Domain's administrative, technical, and billing contacts;
- The primary and secondary domain name servers for the IDP Domain;

You agree to: (i) update this information immediately as it changes over time; (ii) respond within five (5) business days to any inquiries made by either Service Provider to determine the validity of personal information provided by You; (iii) promptly respond to messages regarding correspondence addressed to or involving Your IDP Domain(s), as more fully set forth in section 6 below. If You do not supply primary and secondary domain name servers, You agree that Backend Service Provider may point Your IDP Domain(s) to an IP address of Backend Service Provider' choosing until such time as You supply primary and secondary domain name servers.

## 3. RENEWALS AND FEES

If You have selected automatic renewal of the IDP Services through the account which you use to manage Your IDP Services ("Your Account"), You agree i) that the IDP Services shall be automatically renewed 30 days prior to the end of Your IDP Services term, ii) that the Service Provider will attempt to charge the credit card You have on file with the Service Provider at the then current rates, and iii) You waive any requirement to obtain your ongoing affirmative consent to any such automatic renewal. If you do not wish to automatically renew the IDP Services, You agree that the exclusive method for communicating this to the Service Provider shall be by logging into Your Account to ensure that the auto-renewal or renewal option is not selected. You understand that You must do this at least 31 days prior to the end of the then current IDP Service term. It is Your responsibility to keep Your credit card information current and accurate, including the expiration date. If Service Provider is unable to collect renewal or other fees, you agree that a Service Provider may contact You, but is not obliged to do so, and You agree that Service Provider may suspend or terminate the IDP Services as a result of inability to obtain payment.

For domain name registrations which are serviced by a registrar other than a Service Provider: If available as an option and if such option selected by You, You agree that either Service Provider shall be authorized to contact your domain name registration service provider on Your behalf (and using the credit card provided by You) to renew the domain name registration of associated IDP Domains.

If Backend Service Provider elects to begin charging fee(s) to forward communications to You (see below), You agree that you may be required to pay such fees before the communications will be forwarded. Backend Service Provider may change its service and forwarding fees at any time. Backend Service Provider may also charge reasonable fees for administrative tasks outside the scope of regular services. These may include, but are not limited to, customer service issues that require personal service and disputes that require legal services. You are responsible for paying all fees and taxes associated with using Backend Service Provider's services. Payment shall be made by credit card unless other options are indicated in Your Account. You agree that charges may appear on the credit card statement under a descriptive provider identifier, such as "Domain Name Registration Services." Fees are non-refundable. If for any reason there is a charge back for any fee previously charged to the credit card by Backend Service Provider, You agree that Backend Service Provider may, without notice, pursue all available remedies in order to obtain payment. Without limitation on other remedies which may be available under such circumstances, You agree that Backend Service Provider may assume complete ownership of the IDP Domain(s), that the IDP Domain(s) may be sold to third parties, or that the IDP Domain(s) may be pointed to IP numbers of Backend Service Provider's choosing, and that Backend Service Provider may immediately cancel Your Account and all services provided to You.

**IMPORTANT TERMS REGARDING RELATIONSHIP OF TERM OF IDP SERVICES AND REGISTRATION TERM OF AN ASSOCIATED IDP DOMAIN:** You understand that your IDP Services term begins on the date Your attempt to procure the IDP Services is accepted by the Service Provider(s) and that it shall run for the unit of time which You order (typically, this would be one year). You understand that the IDP Services term may be different than the registration term of the IDP Domain which is associated with the IDP Services. If an IDP Domain expires and is deleted before the end of the term of the associated IDP Services, then the IDP Services associated with the domain will end when the IDP Domain is deleted and You understand that there will be no refund for any resulting unused portion of an IDP Services term. If the IDP Services term ends while the registration term for an IDP Domain is still ongoing, then the IDP Services will no longer be provided, the personal information specified in section 2 shall be listed in the WHOIS output for the (then former) IDP Domain, and the communications forwarding services specified in section 6 will no longer be provided.

#### 4. YOUR REPRESENTATIONS & WARRANTIES

You represent and warrant that all information provided by You pursuant to this Agreement is truthful, complete, current and accurate and You represent and warrant that you will maintain all information in this status throughout the term of this Agreement. You also represent and warrant that You are using the IDP Services in good faith and that You have no knowledge or reason to believe that Your IDP Domain or the content found at any associated IP address infringes upon or conflicts with the legal rights of any third party or any third party's trademark or trade name. You also warrant that neither the IDP Services nor IDP Domain(s) will not be used in connection with any illegal or morally objectionable activity (as defined below in section 5), or, in connection with the transmission of unsolicited commercial email ("Spam").

#### 5. SERVICE PROVIDER'S SUSPENSION OR TERMINATION OF SERVICE AND DISCLOSURE OF YOUR PERSONAL INFORMATION

In the event of any of the following:

- If the IDP Domain(s) is (are) alleged to violate or infringe a third party's trademark, trade name, copyright interests or other legal rights of third parties;
- If you breach any provision of this Agreement or an anti-Spam policy of either Service Provider;
- If You breach any provision of Your registrar's Registration Agreement;
- If necessary to protect the integrity and stability of the applicable domain name registry;
- If necessary to comply with any applicable laws, government rules or requirements, subpoenas, court orders or requests of law enforcement;
- If Backend Service provider is named as a defendant in, or investigated in anticipation of, any legal or administrative proceeding arising out of Your use of the IDP Services or an IDP Domain;
- If necessary to comply with ICANN's Dispute Resolution Policy or other policies promulgated by ICANN (including policies which may preclude use a service such as ID Protect);
- If necessary to avoid any financial loss or legal liability (civil or criminal) on the part of Backend Service Provider, its parent companies, subsidiaries, affiliates, shareholders, agents, officers, directors and employees;
- OR if it comes to Backend Service Provider's attention that You are alleged to be using the IDP Services for purposes of engaging in, participating in, sponsoring or hiding Your involvement in illegal or morally objectionable activities, including but not limited to, activities which are designed, intended to or otherwise: (i) appeal primarily to prurient interests; (ii) defame, embarrass, harm, abuse, threaten, or harass; (iii) violate state or federal laws of the United States and/or foreign territories; (iv) involve hate crimes, terrorism or child pornography; (v) are tortious, vulgar, obscene, invasive of a third party's privacy, race, ethnicity, or are otherwise objectionable; (vi) impersonate the identity of a third party; (vii) harm minors in any way; or (viii) relate to or transmit viruses, Trojan Horses, access codes, backdoors, worms, timebombs or any other code, routine, mechanism, device or item that corrupts, damages, impairs, interferes with, intercepts or misappropriates any software, hardware, firmware, network, system, data or personally identifiable information, THEN

You understand and agree that Backend Service Provider has the absolute right and power, in its sole discretion and without any liability to You whatsoever, to suspend the IDP Services, close Your Account, terminate provisionment of the IDP Services, list the information You provided in section 2 in the Whois output or provide the information You provided in section 2 to a claimant, resolve any and all third party claims, whether threatened or made, arising out of Your use of IDP Domain, or take any other action which Backend Service Provider deems necessary.

In the event Backend Service Provider takes any of the actions set forth above or in the event You elect to cancel the IDP Services for any reason, neither Service Provider will refund any fees paid by You for the IDP Services.

You also acknowledge and agree that Backend Service Provider may, in its sole discretion and without any liability to You whatsoever, cancel the IDP Services during the first thirty (30) days after You procured the IDP Services, and/or suspend Your rights under this Agreement and list the IDP Addresses during resolution of a dispute or investigation of allegations.

#### 6. FORWARDING COMMUNICATIONS

You agree that Backend Service Provider will review communications sent to the IDP Addresses associated with Your IDP Domain. For communications received via certified or traceable courier mail (such as UPS, FedEx, or DHL), or first class U.S. postal mail which does not appear to be unsolicited commercial mail, Backend Service Provider may either i) forward such communication to You or ii) may attempt to communicate to you a scanned copy of a page of the communication to ascertain Your desires with respect to forwarding the communication to You. You specifically acknowledge that Backend Service Provider may elect to not forward to You (nor to otherwise communicate with You) regarding first class postal mail or email, fax, postal mail or telephone communications which appear to be unsolicited

communications which offer or advertize the sale of goods or services or which solicit charitable contributions, or communications which appear to arise from Your having used the IDP Services as a general mail forwarding service (see section 1, above). You authorize Backend Service Provider to either discard all such communications or return all such communications to sender unopened. You agree to waive any and all claims arising from Your failure to receive communications directed to Your domain name but not forwarded to You by Backend Service Provider, including failures which arise from Backend Service Provider's mistake in judging whether a communication appears to be an unsolicited communication.

**Email.** The Whois directory generally requires an email address for every purchased domain name registration. When You purchase IDP Services, Backend Service Provider creates an email address for that domain, "yourdomainname@whoisprivacyprotect.com". Thereafter, when messages are sent to the email address listed in the IDP Address, Backend Service Provider forwards such messages to the email address You listed in section 2. If such email address becomes non-functioning or if email to such address bounces, Backend Service Provider is not obligated to attempt to contact You through other means. You agree that Backend Service Provider may elect, in Backend Service Provider's sole discretion, to allow You to access Your Account and view email sent to the IDP Addresses, though such alternative means of servicing Your Account is an option and not a requirement.

**Your Obligation to Respond to communications from the Backend Service Provider:** When Backend Service Provider receives a communication which may warrant forwarding to You, per the terms of this Agreement, Backend Service Provider will send an email to the email address You provided to Backend Service Provider pursuant to section 2. The email message will identify the sender of the correspondence and the date received. As an alternative, You agree that Backend Service Provider may allow you to access Your Account to view full or partial scanned copies of (non-email) communications sent to the IDP Addresses and that You may be required to interact with Your Account to have the physical originals of such communications forwarded to You and that if You do not interact with Your Account in the ways indicated upon accessing Your Account, that the communications may not be forwarded to You. In either event, You will have seventy-two (72) hours to decide whether to have the communication(s) forwarded. If you do not respond within this time period, the communication(s) will not be forwarded. Method of forward will be determined by Backend Service Provider. Communication(s) may not be immediately forwarded upon Your election; there may be a delay and communication(s) may be aggregated to be forwarded together. The Backend Service Provider may begin charging fees for forwarding communications or may change the method by which communications are forwarded without written notice.

In the event You do not respond to communications from the Backend Service Provider regarding communications received at the IDP Address, Backend Service Provider may immediately reveal the information You provided pursuant to section 2 and/or cancel the IDP Services regarding either the IDP Domain in question or with respect to all of Your IDP Domains, depending on the circumstances. This means the Whois directory will revert to displaying Your name, postal address, email address and phone number. This action would be taken because Backend Service Provider will not become involved in any legal or other matters between You and third parties.

## 7. LIMITATION OF LIABILITY

UNDER NO CIRCUMSTANCES SHALL EITHER THE PRIMARY OR BACKEND SERVICE PROVIDERS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES FOR ANY REASON WHATSOEVER RELATED TO THIS AGREEMENT, YOUR DOMAIN NAME REGISTRATION, THE IDP SERVICES, USE OR INABILITY TO USE THE PRIMARY OR BACKEND SERVICE PROVIDER(S) WEB SITE(S) OR THE MATERIALS AND CONTENT OF THE WEB SITE(S) OR ANY OTHER WEB SITES LINKED TO SUCH WEB SITE(S) OR YOUR PROVISION OF ANY PERSONALLY IDENTIFIABLE INFORMATION TO BACKEND SERVICE PROVIDER OR ANY THIRD PARTY. THIS LIMITATION APPLIES REGARDLESS OF WHETHER THE ALLEGED LIABILITY IS BASED ON CONTRACT, TORT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER BASIS, EVEN IF EITHER THE PRIMARY OR BACKEND SERVICE PROVIDERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES WERE REASONABLY FORESEEABLE. BECAUSE CERTAIN JURISDICTIONS DO NOT PERMIT THE LIMITATION OR ELIMINATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRIMARY AND BACKEND SERVICE PROVIDERS' LIABILITY IN SUCH JURISDICTIONS SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW. IF ANY PROVISION OF THIS LIMITATION OF LIABILITY IS FOUND TO BE UNENFORCEABLE, ONLY SUCH PROVISION SHALL BE REMOVED AND THE REMAINDER SHALL BE ENFORCED TO THE GREATEST EXTENT PERMITTED BY LAW.

You further understand and agree that the Primary and Backend Service Providers disclaim any loss or liability resulting from: (i) the inadvertent disclosure or theft of Your personal information; (ii) access delays or interruptions to our web site or the web sites of affiliated parties; (iii) data non-delivery or misdelivery between You and the Service Providers; (iv) the failure for whatever reason to renew the IDP Services; (v) the unauthorized use of Your Account or any of the Service Provider's services; (vi) errors, omissions or misstatements by either Service Provider; (vii) deletion of, failure to store, failure to process or act upon email messages sent to or forwarded to either You or the email address listed for Your IDP Domain; (viii) processing of updated information regarding Your Account; (ix) any act or omission caused

by You or Your agents (whether authorized by You or not).

YOU AGREE THAT, IN ANY EVENT, THE PRIMARY AND BACKEND SERVICE PROVIDERS' RESPECTIVE MAXIMUM LIABILITY TO YOU SHALL BE CAPPED BY THE LESSER OF THE AMOUNT OF FEES PAID BY YOU TO EACH SERVICE PROVIDER IN THE PRECEDING YEAR WITH RESPECT TO THE SERVICES WHICH GAVE RISE TO THE LIABILITY OR \$100.00 PER IDP DOMAIN.

#### 8. INDEMNITY

You agree to release, defend, indemnify and hold harmless the Primary and Backend Service Providers, and their parent companies, subsidiaries, affiliates, shareholders, agents, directors, officers and employees and Your registrar, from and against any and all claims, demands, liabilities, losses, damages or costs, including reasonable attorney's fees, arising out of or related in any way to this Agreement, the IDP Services, the web sites of the Service Providers, Your Account, and/or Your use of Your IDP Domain.

#### 9. BACKEND SERVICE PROVIDER WARRANTY DISCLAIMER

THE BACKEND SERVICE PROVIDER, ITS PARENT COMPANIES, SUBSIDIARIES, AFFILIATES, SHAREHOLDERS, AGENTS, DIRECTORS, OFFICERS, AND EMPLOYEES EXPRESSLY DISCLAIM ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND IN CONNECTION WITH THIS AGREEMENT, THE SERVICES PROVIDED HEREUNDER, THE WEB SITES OF THE BACKEND SERVICE PROVIDER OR ANY WEB SITES LINKED TO SUCH WEB SITES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. ALL BACKEND SERVICE PROVIDER SERVICES, AS WELL AS THE BACKEND SERVICE PROVIDER WEB SITE, ARE PROVIDED "AS IS". YOUR SUBSCRIPTION TO AND USE OF BACKEND SERVICE PROVIDER'S SERVICES AND ITS WEB SITE ARE ENTIRELY AT YOUR RISK. SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER OF IMPLIED WARRANTIES, IN WHICH EVENT THE FOREGOING DISCLAIMER MAY NOT APPLY TO YOU. IF ANY PROVISION OF THIS LIMITATION OF LIABILITY IS FOUND TO BE UNENFORCEABLE, ONLY SUCH PROVISION SHALL BE REMOVED AND THE REMAINDER SHALL BE ENFORCED TO THE GREATEST EXTENT PERMITTED BY LAW.

#### 10. COPYRIGHT & TRADEMARK

You understand and agree that all content and materials contained in this Agreement, the Privacy Policy and the Backend Service Provider web site, are protected by the various copyright, patent, trademark, service mark and trade secret laws of the United States, as well as any other applicable proprietary rights and laws, and that Backend Service Provider reserves its rights in and to all such content and materials. You further understand and agree that You are prohibited from using any of the afore-described content and materials without the written permission of Backend Service Provider. #### 11. MISCELLANEOUS PROVISIONS

##### a. Severability; Construction; Entire Agreement.

You agree that if any part of this Agreement shall be held to be illegal, unenforceable or invalid, in whole or in part, such provision shall be modified to the minimum extent necessary to make it legal, enforceable and valid, and the legality, enforceability and validity of the remaining provisions of this Agreement shall not be affected or impaired. The headings herein will not be considered a part of this Agreement. You agree that this Agreement, including the policies it incorporates by reference, constitute the complete and only Agreement between You and Backend Service Provider regarding the services contemplated herein.

Third Party Advertisers on Dotster's Website  
We use third-party advertising companies to serve ads (using methods that include Pixel Tags and Clear Gifs) when you visit our website. Third-party advertising companies also separately place or recognize a cookie file on your browser in the course of delivering advertisements to this website. These companies may use information (not including your name, address, email address or telephone number) about your visits to this and other websites in order to provide advertisements about goods and services of interest to you.

Information Dotster Obtains from Third Parties  
Supplemental Information Collected. In certain circumstances, in order for our website to properly fulfill its obligation to our users, it is necessary for us to supplement the information we receive with information from third party sources. For example, to determine if our users qualify for a dotPartner account, we use their name and business information to request a credit report.

Dotster Accounts Created by a Third Party on Your Behalf. If you received your domain name from someone else, without registering for it yourself, your domain name may belong to a "managed domain." In a managed domain, the administrator of a company with whom you have a business relationship (for example, your ISP) can create your domain name for you. You can then use the domain name like any other domain name. The administrator, however, has access to the domain name and can edit your Dotster profile, reset your password, and manage the Dotster account without your additional consent. In addition to the terms mentioned in this Privacy Statement, an account created by a third party allows any of your Personally Identifiable Information within that account to be available to that third party as if they were you. We have no access to or control over the third party to prevent their disclosure of your information.

communications from Dotster

Income Emails and General Correspondence. We send a welcoming email to the email address associated with the account a user has created to verify the user's password and username. This process is designed to prevent e-mail addresses from being used without permission in the creation of a Dotster account. Established users will occasionally receive information on products, services, special deals, and a newsletter. Out of respect for the privacy of our users we present the option to not receive some of these types of communications. Please see our opt-out options below.

**Service and Updates.** We send the user website and service announcement updates. Users are not permitted to unsubscribe from service announcements, which contain important information about the website and/or service. We may communicate with users to provide services that users request or to discuss issues relating to their account.

**Surveys & Contests.** From time-to-time our website requests information from users via surveys or contests. Participation in these surveys or contests is completely voluntary and, as such, the user has a choice whether or not to disclose this information. Information requested may include contact information (such as name and shipping address), and demographic information (such as zip code, age level).

**How Information Collected by Dotster Is Used**

**Demographic Information.** We will share aggregated demographic information with our partners and advertisers. The aggregated demographic information is not linked to any Personally Identifiable Information that can identify any individual person.

**Communicating with Our Users.** We use Personally Identifiable Information (such as your name, telephone number or email address) to communicate with our users when they have questions, concerns or comments about their accounts or the services that we provide. If you contact us, we may or may not delete your emails or voicemails to us.

**Information Shared With Third Parties.** We share information with third parties as required by ICANN and in order to give our customers access to a variety of services. Specifically, we may do the following:

• Submit the name, postal address, e-mail address, and phone numbers associated with the registrant, administrative, technical and billing contacts of a domain name to the appropriate Registry or registration database. This information is included in a publicly available 'Whois' database, in accordance with ICANN rules. This sharing of information is required by ICANN rules.

• Use a credit card processing company to bill users for goods and services. These companies do not use Personally Identifiable Information for any use other than credit card processing; however, we will not be responsible or liable for use of the information required by credit card companies in violation of their policies, contractual obligations or general good business procedures.

• Partner with third parties who provide services to our users. When the user signs up for or agrees to receive a specific service provided by the third party (i.e. PostMasterDirect advertisements), we share the information that is needed for the third party to provide the services.

• Share the publicly available domain contact information submitted by our users for inclusion in the Whois database with third parties. We do not control the use of this Personally Identifiable Information by third parties.

• Share your Personally Identifiable Information with other entities that are owned by Dotster, that own Dotster, or have some sort of corporate ownership relationship with Dotster.

**Addressing Legal Issues.** Further, we provide Personally Identifiable Information to respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims. Further, we believe it is necessary to share Personally Identifiable Information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Dotster's terms of use, or as otherwise required by law.

**Acquisition or Transfer of Dotster.** If all or a portion of Dotster is transferred, sold, merged, ceases operations, goes bankrupt, or is otherwise involved in a transaction where the ownership or management of Dotster is changed (individually or collectively, a "Transaction") then your Personally Identifiable Information or other user information may be transferred or assigned to a third party as part of the Transaction.

**Correction/Updating Personal Information**

Users must provide accurate and correct contact information (name, postal address, e-mail address, phone number) for their domain name(s) as registrant, Administrative, Technical and Billing contacts, which will be listed in a publicly accessible 'Whois' database, in compliance with ICANN rules. If a user's Personally Identifiable Information changes (such as a zip code), or if a user no longer desires Dotster's services, we will provide a way to correct, update or remove that user's personal data provided to us. This can usually be done under online account management (on your own) or by emailing our user Support Group for assistance.

**Opting Out**

Users are provided an opportunity to "opt-out" of having their information used for purposes not directly related to the services they request. Users who no longer wish to receive our newsletter or promotional materials from us may opt-out of receiving these communications by replying and typing "unsubscribe" in the subject line in the email or email your request to [dotnews@dotster.com](mailto:dotnews@dotster.com).

**Terminated Dotster Accounts**

If a user's Dotster account is terminated or cancelled (regardless of whether it was voluntary), all of your Personally Identifiable Information will remain on our servers. We retain and use your Personally Identifiable Information as necessary to enforce our policies or to address contractual issues, and may contact you for future marketing or promotional purposes.

**Use of the Dotster Website by Persons Under Age 13**

This website is not intended for use by anyone under the age of thirteen (13), and any individual under such age should not provide us with Personally Identifiable Information. We do not knowingly contact, market to, solicit, collect or use Personally Identifiable Information from or about any individual under the age of 13. It is possible that by fraud or deception we may receive information pertaining to children under 13. If we are notified of that we have personal information regarding a person under the age of 13, as soon as we reasonably verify the information, we will either obtain parental consent or otherwise delete the information from the account and/or service. However, the information may remain on a log in our servers. If you want to notify us of our receipt of information by children under 13, please do so by emailing us at: [abuse@dotster.com](mailto:abuse@dotster.com).

**Linking to Third Party Websites**

This website contains links to other websites. Please be aware that we are not responsible for the privacy practices of such other websites. We encourage our users to be aware when they leave our website and to read the Privacy Statements of each and every website that collects Personally Identifiable Information. This Privacy Statement applies solely to information collected by this website.

**Users Must Keep Their Passwords Private**

Users are required to keep their account passwords confidential and to not share this information with others. If you choose to reveal or share your password and Dotster account name, we are unable to guarantee the security of your account.

#### Changes to Our Privacy Statement

Our Privacy Statement may change, and use of information that we gather now is subject to the Privacy Statement that is in effect as of the time of use. You are responsible for periodically checking our Privacy Statement. You may opt-out of any posted change to our collection, use or disclosure of your personal information by sending an e-mail to [support@dotster.com](mailto:support@dotster.com). If we make minor changes to this Privacy Statement, the changes will be immediately effective upon posting the revised Privacy Statement to the website. If we make material changes to this Privacy Statement or in how we use or collect your Personally Identifiable Information, we will prominently post a notification on our website of the changed Privacy Statement ten (10) days prior to implementing the change. The date at the bottom of this Privacy Statement is the date that the Privacy Statement is effective.

#### Final Statement

Dotster will use your information in accordance with the Privacy Statement that is currently in effect. If you have any questions about the security at our website, you can send an email to [security@dotster.com](mailto:security@dotster.com).

## **DOMAINS BY PROXY**

### **DOMAIN NAME PROXY AGREEMENT**

Please read this Domain Name Proxy Agreement ("Agreement") carefully. By using the Services and/or Web site of Domains By Proxy, Inc., an Arizona corporation ("DBP"), You agree to all the terms and conditions set forth both herein and in the DBP privacy policy, which is incorporated by reference. You acknowledge that DBP may amend this agreement at any time upon posting the amended terms on its Web site, and that any new, different or additional features that change the services provided by DBP will automatically be subject to this agreement. If you do not agree to be bound by, or if you object to, the terms and conditions of this agreement and any amendments hereto, do not use or access our services. Continued use of DBP's services and its Web site after any such changes to this agreement have been posted, constitutes your acceptance of those changes.

This ("Agreement") is by and between DBP and you, your heirs, assigns, agents and contractors ("You") and is made effective as of the date of electronic execution. This Agreement sets forth the terms and conditions of Your relationship with DBP and Your use of DBP's services and represents the entire Agreement between You and DBP. By using DBP's Services, You acknowledge that You have read, understand and agree to be bound by all the terms and conditions of this Agreement, and You further agree to be bound by the terms of this Agreement for transactions entered into by: (i) You on Your behalf; (ii) anyone acting as Your agent; and (iii) anyone who uses the account You have established with DBP, whether or not the transactions were on Your behalf and/or authorized by You. You agree that You will be bound by representations made by third parties You use to purchase services from DBP, and that statements of a general nature on DBP's web site or in DBP promotional materials will not bind DBP. You further agree to abide by the terms and conditions promulgated by the Internet Corporation for Assigned Names and Numbers ("ICANN") (including the Uniform Domain Name Dispute Resolution Policy ("Dispute Resolution Policy") and Your Registrar (i.e., the ICANN-accredited person or entity through which You register a domain name).

#### **1. DESCRIPTION OF DBP'S PRIVATE REGISTRATION SERVICES**

The business of DBP is to maximize Your right to privacy to the greatest extent possible. When you subscribe to DBP's private registration service through a DBP-affiliated Registrar, each and any available domain name registration that You designate will thereafter be registered in the name of DBP, as Registrant. In exchange for DBP becoming the Registrant of each domain name registration on Your behalf, DBP shall keep Your name, postal address, email address, phone and fax numbers confidential, subject to Section 4 of this Agreement. When DBP becomes the Registrant of Your domain name registration, the following DBP information (and not your personal information) will be made publicly available in the "Whois" directory as determined by ICANN policy:

- i. DBP's name and postal address as Registrant of the domain name;
- ii. DBP's email address, postal address and phone number for the domain name registration's technical contact;
- iii. DBP's email address, postal address and phone number for the domain name registration's administrative contact;
- iv. DBP's email address, postal address and phone number for the domain's name registration's billing contact;
- v. The primary and secondary domain name servers You designate for the domain name;
- vi. The domain name's original date of registration and expiration date of the registration; and
- vii. The identity of Your Registrar.

#### **2. FULL BENEFITS OF DOMAIN REGISTRATION RETAINED BY YOU**

Although DBP will be the Registrant of each domain name registration You designate, You will retain the full benefits of domain name registration with respect to each such domain name registration, including:

- i. The right to sell, transfer or assign each domain name registration;
- ii. The right to control the use of each domain name registration, including designating the primary and secondary domain name servers to which each domain name points;
- iii. The right to cancel each domain name registration;
- iv. The right to cancel Your account with DBP so that You become the Registrant;
- v. The right to renew each domain name registration upon its expiration, subject to Your Registrar's applicable rules and policies; and
- vi. The right to initially resolve any and all monetary, creditor or other claims that arise in connection with a legal or other dispute involving Your domain name registration, subject to DBP's Section 4 rights, which shall, in all events, supersede any and all of Your rights as set forth in this Section 2.

### **3. YOUR NOTIFICATION OBLIGATIONS; REPRESENTATION AND WARRANTIES**

#### **Personal Information**

You agree that for each domain name for which DBP becomes the Registrant on Your behalf, You will provide accurate and current information as to:

- i. Your name and postal address;
- ii. The email address, postal address, phone and fax numbers for the domain name registration's technical contact;
- iii. The email address, postal address, phone and fax numbers for the domain name registration's administrative contact;
- iv. The email address, postal address, phone and fax numbers for the domain name registration's billing contact;
- v. The primary and secondary domain name servers to which each domain name points; and
- vi. The domain name's original date of registration and expiration date.

You agree to: (i) notify DBP within five (5) business days when any of the personal information You provided upon subscribing to DBP's services, changes; (ii) respond within five (5) business days to any inquiries made by DBP to determine the validity of personal information provided by You; (iii) respond to email messages posted to Your DBP account regarding correspondence DBP has received that is either addressed to or involves Your domain name registration, as more fully set forth in Section 5(b) below. It is Your responsibility to keep Your personal information current and accurate at all times.

#### **Renewals**

You agree that DBP, as Registrant, will (i) arrange for Your Registrar to automatically renew on Your behalf, for a period of one year only, any domain name registration that is up for renewal; and (ii) arrange for Your Registrar to charge the credit card You have on file with the Registrar, at the Registrar's then current rates. Renewal fees, once charged, will be non-refundable. You may also elect not to automatically renew DBP's private registration services, by logging into Your customer account at Your Registrar's web site and selecting the manual renewal option. It is Your responsibility to keep Your credit card information current and accurate, including the expiration date.

#### **Representations and Warranties**

You warrant that all information provided by You to DBP is truthful, complete, current and accurate.

You also warrant that You are using DBP's private registration services in good faith and that You have no knowledge of Your domain name infringing upon or conflicting with the legal rights of a third party or a third party's trademark or trade name. You also warrant that the domain name being registered by DBP on Your behalf will not be used in connection with any illegal or morally objectionable activity (as defined below in Section 4), or, in connection with the transmission of Spam.

#### **4. DBP'S RIGHTS TO DENY, SUSPEND, TERMINATE SERVICE AND TO DISCLOSE YOUR PERSONAL INFORMATION**

- i. You understand and agree that DBP has the absolute right and power, in its sole discretion and without any liability to You whatsoever, to either: (i) close Your account (which means You then become the Registrant of the domain name registration); (ii) reveal Your name and personal information that You provided to DBP when required by law, in the good faith belief that such action is necessary in order to conform to the edicts of the law, or to comply with a legal process served upon DBP; (iii) resolve any and all third party claims, whether threatened or made, arising out of Your use of a domain name registered by DBP on Your behalf; or (iv) take any other action DBP deems necessary:
  - A. In the event you breach any provision of this Agreement or the DBP Anti-Spam Policy;
  - B. To protect the integrity and stability of the applicable domain name Registry;
  - C. To comply with any applicable laws, government rules or requirements, subpoenas, court orders or requests of law enforcement;
  - D. To comply with ICANN's Dispute Resolution Policy;
  - E. To avoid any financial loss or legal liability (civil or criminal) on the part of DBP, its parent companies, subsidiaries, affiliates, shareholders, agents, officers, directors and employees;
  - F. If the domain name DBP registers on Your behalf violates or infringes a third party's trademark, trade name or other legal rights; and
  - G. If it comes to DBP's attention that You are using DBP's services for purposes of engaging in, participating in, sponsoring or hiding Your involvement in, illegal or morally objectionable activities, including but not limited to, activities which are designed, intended to or otherwise: (i) appeal purely to the prurient interests of third parties; (ii) defame, embarrass, harm, abuse, threaten, or harass third parties; (iii) violate state or federal laws of the United States and/or foreign territories; (iv) involve hate crimes, terrorism and child pornography; (v) are tortious, vulgar, obscene, invasive of a third party's privacy, racially, ethnically, or otherwise objectionable; (vi) impersonate the identity of a third party; (vii) harm minors in any way; or (viii) relate to or transmit viruses, Trojan Horses, access codes, backdoors, worms, timebombs or any other code, routine, mechanism, device or item that corrupts, damages, impairs, interferes with, intercepts or misappropriates any software, hardware, firmware, network, system, data or personally identifiable information.
- ii. You also acknowledge and agree that DBP may, in its sole discretion and without any liability to You whatsoever: (i) cancel the registration of any domain name DBP has registered on Your behalf during the first thirty (30) days after registration has taken place; (ii) cancel the registration of any domain name DBP has registered on Your behalf if that name is being used in association with Spam; and/or (iii) suspend your rights under Section 2 of this Agreement during resolution of a dispute.
- iii. You further understand and agree that if DBP is named as a defendant in, or investigated in anticipation of, any legal or administrative proceeding arising out of Your domain name registration or Your use of DBP's services, Your private domain name registration will automatically revert back to You and Your identity will therefore be

revealed in the Whois directory as Registrant.

- iv. In the event: (i) DBP takes any of the actions set forth in paragraphs (a), (b) or (c) above; and (ii) You elect to cancel DBP's services for any reason, neither DBP nor your Registrar will refund any fees paid by You whatsoever.

## **5. COMMUNICATIONS FORWARDING**

### **a. Correspondence Forwarding**

Inasmuch as DBP's name, postal address and phone number will be listed in the Whois directory, You agree that DBP will review and forward communications addressed to your domain name that are received via email, certified or traceable courier mail (such as UPS, FedEx, or DHL), or first class U.S. postal mail. You specifically acknowledge that DBP will not forward to You first class postal mail (other than legal notices), "junk" mail or other unsolicited communications (whether delivered through fax, postal mail or telephone), and You further authorize DBP to either discard all such communications or return all such communications to sender unopened. You agree to waive any and all claims arising from Your failure to receive communications directed to Your domain name but not forwarded to You by DBP.

### **b. Email Forwarding**

The Whois directory requires an email address for every purchased domain name registration. When You purchase a private domain registration, DBP creates a private email address for that domain, "@domainsbyproxy.com". Thereafter, when messages are sent to Your private email address, DBP handles them according to the email preference You selected for that particular domain. You have three email preferences from which to choose. You can elect to: (i) have all of the messages forwarded; (ii) have all of the messages filtered for Spam and then forwarded; or (iii) have none of the messages forwarded.

### **c. Notifications Regarding Correspondence and Your Obligation to Respond**

When DBP receives certified or traceable courier mail or legal notices addressed to Your domain name, we will post an email message to Your DBP account. Our email message will identify the sender of the correspondence, the date we received it, and a brief description of its contents. You will have seventy-two (72) hours to decide whether to reject the correspondence or have it forwarded via overnight courier, facsimile (or both). You will be informed of the charge for both shipping options and the credit card You provide will be billed only after You have affirmatively selected one or both shipping options. You must select a shipping option and the credit card transaction must be successful prior to us forwarding the correspondence to You. In the event You do not respond to our email message, DBP will attempt to contact you via telephone. If you do not respond to our email or voice messages and/or the correspondence that DBP has received regarding Your domain name registration concerns a legal dispute or otherwise requires immediate forwarding and/or immediate disposition, DBP may immediately reveal Your identity and/or cancel our private registration service regarding either the domain name registration in question or with respect to all of Your private domain name registrations, depending on the circumstances. This means the Whois directory will revert to displaying Your name, postal address, email address and phone number. We take this action because DBP will not become involved in any legal or other matters between You and third parties.

### **d. Forwarding Fees**

In consideration for (i) handling and forwarding certified and traceable courier mail and certain first class correspondence, and (ii) responding to and dealing with complaining third parties, You agree to pay DBP at the time such services are provided. DBP may change its forwarding fees at any time. Unless otherwise stated, all fees are posted (and payable by You) in U.S. Dollars. You are responsible for paying all fees and taxes associated with using DBP's forwarding services. Payment shall be made by You providing a valid credit card for charge by DBP, and is non-refundable. If for any reason DBP is unable to charge Your credit card with the full amount of the service provided, or if DBP is charged back for any fee it previously charged to the credit card You provided, You

agree that DBP may, without notice to You, pursue all available remedies in order to obtain payment, including but not limited to, sale of the domain name registration to a third party, and immediate cancellation of Your account and all services DBP provides to You.

#### **e. Additional Administrative Fees**

DBP reserves the right to charge a reasonable service fee for administrative tasks outside the scope of its regular services. These include, but are not limited to, customer service issues that cannot be handled over email but require personal service, and disputes that require legal services. You agree that DBP will arrange for Your Registrar to bill these charges to the credit card You have on file with the Registrar. Administrative fees, once charged, will be non-refundable. It is Your responsibility to keep Your credit card information current and accurate, including the expiration date. Failure to do so could result in termination of DBP's services.

You agree to waive the right to trial by jury in any proceeding that takes place relating to or arising out of this Agreement.

### **6. LIMITATIONS OF LIABILITY**

Under no circumstances shall DBP be liable for any direct, indirect, incidental, punitive, special, or consequential damages for any reason whatsoever related to this agreement, your domain name registration, DBP's services, use or inability to use the DBP Web site or the materials and content of the Web site or any other Web sites linked to the DBP Web site or your provision of any personally identifiable information to DBP or any third party. This limitation applies regardless of whether the alleged liability is based on contract, tort, warranty, negligence, strict liability or any other basis, even if DBP has been advised of the possibility of such damages or such damages were reasonably foreseeable. Because certain jurisdictions do not permit the limitation or elimination of liability for consequential or incidental damages, DBP's liability in such jurisdictions shall be limited to the smallest amount permitted by law.

You further understand and agree that DBP disclaims any loss or liability resulting from: (i) the inadvertent disclosure or theft of Your personal information; (ii) access delays or interruptions to our web site or the web sites of our affiliated-Registrars; (iii) data non-delivery or mis-delivery between You and DBP; (iv) the failure for whatever reason to renew a private domain name registration; (v) the unauthorized use of Your DBP account or any of DBP's services; (vi) errors, omissions or misstatements by DBP; (vii) deletion of, failure to store, failure to process or act upon email messages forwarded to either You or Your private domain name registration; (viii) processing of updated information regarding Your DBP account; (ix) any act or omission caused by You or Your agents (whether authorized by You or not).

### **7. INDEMNITY**

You agree to release, defend, indemnify and hold harmless DBP, its parent companies, subsidiaries, affiliates, shareholders, agents, directors, officers and employees and Your Registrar, from and against any and all claims, demands, liabilities, losses, damages or costs, including reasonable attorney's fees, arising out of or related in any way to this Agreement, the services provided hereunder by DBP, the DBP web site, Your account with DBP, Your use of Your domain name registration, and/or disputes arising in connection with the Dispute Resolution Policy.

### **8. DBP WARRANTY DISCLAIMER**

DBP, its parent companies, subsidiaries, affiliates, shareholders, agents, directors, officers, and employees expressly disclaim all representations and warranties of any kind in connection with this agreement, the service provided hereunder, the DBP Web site or any Web sites linked to the DBP Web site, whether express or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose and non-infringement. All DBP services, as well as the DBP Web site, are provided "AS IS". Your subscription to and use of DBP's services and its Web site are entirely at your risk. Some jurisdictions do not allow the disclaimer of implied warranties, in which event the foregoing disclaimer may not apply to you.

## **9. COPYRIGHT & TRADEMARK**

You understand and agree that all content and materials contained in this Agreement, the Privacy Policy and the DBP web site, are protected by the various copyright, patent, trademark, service mark and trade secret laws of the United States, as well as any other applicable proprietary rights and laws, and that DBP expressly reserves its rights in and to all such content and materials.

You further understand and agree that You are prohibited from using, in any manner whatsoever, any of the afore-described content and materials without the express written permission of DBP. No license or right under any copyright, patent, trademark, service mark or other proprietary right or license is granted to You or conferred upon You by this Agreement or otherwise.

## **10. MISCELLANEOUS PROVISIONS**

### **a. Severability; Construction; Entire Agreement**

If any part of this Agreement shall be held to be illegal, unenforceable or invalid, in whole or in part, such provision shall be modified to the minimum extent necessary to make it legal, enforceable and valid, and the legality, enforceability and validity of the remaining provisions of this Agreement shall not be affected or impaired. The headings herein will not be considered a part of this Agreement. You agree that this Agreement, including the policies it incorporates by reference, constitute the complete and only Agreement between You and DBP regarding the services contemplated herein.

### **b. Governing Law; Venue; Waiver Of Trial By Jury**

This Agreement shall be governed in all respects by the laws and judicial decisions of Maricopa County, Arizona, excluding its conflicts of laws rules. Except as provided immediately below, You agree that any action relating to or arising out of this Agreement, shall be brought exclusively in the courts of Maricopa County, Arizona. For the adjudication of domain name registration disputes, you agree to submit to the exclusive jurisdiction and venue of the U.S. District Court for the District of Arizona located in Phoenix, Arizona. You agree to waive the right to trial by jury in any proceeding, regardless of venue, that takes place relating to or arising out of this Agreement.

### **c. Notices**

All notices from DBP to You will be sent to the email address You provided to DBP. Notices by email shall be deemed effective 24 hours after the email is sent by DBP, unless DBP receives notice that the email address is invalid, in which event DBP may give You notice via first class or certified mail, return receipt requested. All notices from You to DBP shall be sent via certified mail, return receipt requested or traceable courier to DBP, Inc., Attn: General Counsel, 15111 North Hayden Road, Suite 160, PMB 353, Scottsdale, AZ. 85260. Notices sent via certified mail or traceable courier shall be deemed effective five (5) days after the date of mailing.

### **d. Insurance**

In the unlikely event You lose Your domain name registration to a third party solely as a result of DBP's negligent actions (and absent fraud or other negligent or willful misconduct committed by a third party), You may be insured against such loss through DBP's Professional Liability Insurance Policy, which is currently underwritten by American International Insurance Company. Of course, every claim is subject to the then-carrier's investigation into the facts and circumstances surrounding such claim. In the event You have reason to believe that circumstances exist which warrant the filing of an insurance claim, please send a written notice (specifying the basis for such claim), via certified mail, return receipt requested, to:

Domains By Proxy, Inc.  
15111 N. Hayden Road, Suite 160  
PMB 353  
Scottsdale, AZ. 85262  
Attn: Insurance Claims

### **e. Indemnification**

In the unlikely event You lose Your domain name registration to a third party solely as a result of DBP's willful misconduct, Your Registrar (the "Indemnifying Party") will indemnify and hold You harmless against any losses, damages or costs (including reasonable attorneys fees) resulting from any claim, action, proceeding, suit or demand arising out of or related to the loss of Your domain name registration. Such indemnification obligations under this Section 10 (e) are conditioned upon the following: (i) that You promptly give both DBP and the Indemnifying Party written notice of the claim, demand, or action and provide reasonable assistance to the Indemnifying Party, at its cost and expense, in connection therewith, and (ii) that the Indemnifying Party has the right, at its option, to control and direct the defense to any settlement of such claim, demand, or action.

Any notice concerning indemnification shall, with respect to DBP, be sent in accordance with Section 10(c) of this Agreement. With respect to Your Registrar, notices regarding indemnification should be sent in accordance with the notification provisions contained in Your Registrar's Domain Name Registration Agreement.

**f. Term of Agreement; Survival**

The term of this Agreement shall continue in full force and effect as long as DBP is the Registrant for any domain name on Your behalf. Sections 5 (Communications Forwarding), 7 (Limitation of Liability), 8 (Indemnity), 9 (Warranty Disclaimer) and 10 (Miscellaneous Provisions) shall survive any termination or expiration of this Agreement.

By selecting our service(s) you have agreed to establish an account with us for such services. When you use your account or permit someone else to use it to purchase or otherwise acquire access to additional Namecheap service(s) or to cancel your Namecheap service(s) (even if we were not notified of such authorization), this Agreement covers such service or actions. By using the service(s) provided by Namecheap under this Agreement, you acknowledge that you have read and agree to be bound by all terms and conditions of this Agreement, the accompanying dispute policy and any pertinent rules or policies that are or may be published by Namecheap.

This Agreement will become effective when accepted by Namecheap. Namecheap may elect to accept or reject your domain name registration application for any reason at its sole discretion, such rejection including, but not limited to, rejection due to a request for registration of a prohibited domain name.

#### 1. Our Services.

Namecheap is a reseller to a registrar with the Internet Corporation for Assigned Names and Numbers ("ICANN") for Top Level Domain Names (TLDs), currently .com, .net and .org. ICANN oversees registrations and other aspects of the TLDs. As a domain name reseller, Namecheap is, upon accepting your domain name registration application, your sponsor for that application. All domain name registrations we register for TLDs are not effective until we have delivered the domain name registration information you provide us to the registry administrator for the TLDs, as applicable, and the registry administrator puts into effect your domain name registration. Currently, the registry administrator for the .com, .net and .org TLDs is Network Solutions, Inc.

You agree and acknowledge that Namecheap is not liable or responsible in any way for any errors, omissions or any other actions by the registry administrator arising out of or related to your application and receipt of, or failure to receive, a domain name registration.

You further agree to indemnify, defend and hold harmless the registry administrator and its directors, officers, employees, and agents from and against any and all claims, damages, liabilities, costs, and expenses (including any direct, indirect, incidental, special or consequential damages and reasonable legal fees and expenses) arising out of, or related to, your domain name registration.

#### 2. What We Do Not Do.

We cannot and do not check to see whether the domain name you select, or the use you make of the domain name, infringes legal rights of others. We urge you to investigate to see whether the domain name you select or its use infringes legal rights of others, and in particular we suggest you seek advice of competent counsel. You may wish to consider seeking one or more trademark registrations in connection with your domain name. You should be aware that there is the possibility we might be ordered by a court to cancel, modify, or transfer your domain name. You should also be aware that if we are sued or threatened with lawsuit in connection with your domain name, we may turn to you to hold us harmless and to indemnify us.

#### 3. Fees.

As consideration for the domain name registration services and/or other services provided by Namecheap to you, you agree to pay Namecheap, prior to the effectiveness of the desired domain name registration, the applicable service(s) fees for the initial registration of the domain name and, should you choose to renew the registration, subsequent renewals of the registration. All fees are non-refundable, in whole or in part, even if your domain name registration is suspended, cancelled or transferred prior to the end of your then current registration term. Your requested domain name will not be registered unless we receive actual payment of the registration fee, or reasonable assurance of payment of the registration fee from some other entity (such reasonable assurance as determined by Namecheap in its sole discretion). As further consideration for the Namecheap service(s), you agree to: (1) provide certain current, complete and accurate information about you as required by the registration process and (2) maintain and update this information as needed to keep it current, complete and accurate. All such information shall be referred to as account information ("Account Information"). In the event of a charge back by a credit card company (or similar action by another payment provider allowed by us) in connection with the payments of the registration fee for your domain name registration, you agree and acknowledge that the domain name registration shall be transferred to Namecheap as the paying entity for that registration to the registry. We will reinstate your domain name registration solely at our discretion, and subject to our receipt of the initial registration or renewal fee and our then-current reinstatement fee, currently set at US\$200. For more information, please click [here](#). You will be notified via an email message or via your account information when renewal fees are due. Should these fees go unpaid within the time specified in a second notice or reminder regarding renewal, your registration will be cancelled. Payment must be made by credit card or such other method as we may indicate in the registration application or renewal form. We will not automatically renew your name unless you instruct us otherwise within the time specified and provide us with your payment information. As a courtesy, we will try to inform you of the domain expiration and you are responsible for renewing your domain before it expires. We might be able to recover your expired domain for a fee within a certain period after expiry. We will reinstate your rights to and control over these Services solely

at our discretion, and subject to our receipt of the unpaid fee(s) and our then-current reinstatement fee, currently set at US \$200. Reinstatement of Service(s) by your Primary Service Provider may be according to their terms.

#### 4. Disclaimer and Domain Name Dispute Policy.

If you request, reserved or registered a domain name through us, or transferred a domain name to us from another registrar, you agree to be bound by Namecheap's current Disclaimer published on our site ("Disclaimer") and our current Domain Name Dispute Policy ("Dispute Policy") which are incorporated herein and made a part of this Agreement by reference. The Disclaimer can be found at [www.namecheap.com/legal/disclaimer.asp](http://www.namecheap.com/legal/disclaimer.asp) and the Dispute Policy can be found at [www.namecheap.com/legal/dompolicy.asp](http://www.namecheap.com/legal/dompolicy.asp). Certain disputes, as specified in the Dispute Policy, are subject to that Policy. You agree that, if the registration or reservation of your domain name is challenged by a third party, you will be subject to the provisions specified in the Dispute Policy in effect at the time your domain name registration is disputed by the third party. You also agree that, in the event a domain name dispute arises with any third party, you will indemnify and hold Namecheap harmless pursuant to the terms and conditions contained in the Dispute Policy.

#### 5. Modifications to Namecheap's Registration Agreement and Dispute Policy.

You agree, during the period of this Agreement, that we may: (1) revise the terms and conditions of this Agreement; and (2) change the services provided under this Agreement. Any such revision or change will be binding and effective immediately on posting of the revised Agreement or change to the service(s) on Namecheap's web site, or on notification to you by e-mail or regular postal mail. You agree to review Namecheap's web site, including the Agreement, periodically to be aware of any such revisions. If you do not agree with any revision to the Agreement, you may terminate this Agreement at any time by providing us with notice by e-mail at [info@namecheap.com](mailto:info@namecheap.com) or regular postal mail at the addresses listed on the contacts for this website. Notice of your termination will be effective on receipt and processing by us. You agree that, by continuing to use the Namecheap services following notice of any revision to this Agreement or change in service(s), you abide by any such revisions or changes. You further agree that we, in our sole discretion, may modify our Dispute Policy at any time. Your continued use of the domain name registered to you shall constitute your acceptance of this Agreement and the Dispute Policy with the new modifications. You acknowledge that if you do not agree to any of such changes, you may request that your domain name registration be cancelled or transferred to a different domain name registrar. You agree that such cancellation or request for transfer will be your exclusive remedy if you do not wish to abide by any changes to this Agreement or the Dispute Policy.

## 21. Whois Guard Server

### WhoisGuard Service Agreement

PLEASE READ THIS WhoisGuard SERVICE AGREEMENT ("AGREEMENT") CAREFULLY. BY USING THE WhoisGuard SERVICES ("WG SERVICES"), YOU AGREE TO ALL THE TERMS AND CONDITIONS IN THIS AGREEMENT. YOU AGREE THAT THE "SERVICE PROVIDERS" (DEFINED BELOW) MAY AMEND THIS AGREEMENT BY POSTING THE AMENDED AGREEMENT ON THE WEBSITE WHERE YOU OBTAINED THE WG SERVICES. YOU AGREE THAT ANY NEW, DIFFERENT OR ADDITIONAL FEATURES THAT CHANGE THE WG SERVICES WILL AUTOMATICALLY BE SUBJECT TO THIS AGREEMENT. IF YOU DO NOT AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT AND ANY SUBSEQUENT AMENDMENTS HERETO, DO NOT USE, ACCESS, OR CONTINUE TO USE THE WG SERVICES. CONTINUED USE OF THE WG SERVICES AFTER CHANGES TO THIS AGREEMENT HAVE BEEN POSTED CONSTITUTES YOUR ACCEPTANCE OF SUCH CHANGES.

This Agreement is by and between WhoisGuard - Namecheap.com ("Backend Service Provider"), the party, if any, other than the Backend Service Provider who makes the WG Services available to you ("Primary Service Provider;" Backend Service Provider and Primary Service Provider, if any, being together referred to herein as the "Service Providers"), your heirs, executors, administrators, agents, successors and assigns ("You," "Your," and other appropriate formatives). This Agreement sets forth the terms and conditions of Your relationship with the Service Providers and Your use of the WG Services. You acknowledge that You have read, understand and agree to be bound by all the terms and conditions of this Agreement for transactions entered into by: (i) You on Your behalf; (ii) anyone acting as Your agent; (iii) anyone who uses the account You establish to obtain the WG Services, whether or not the transactions were on Your behalf and/or authorized by You. You agree that You will be bound by representations made by third parties You use to obtain the WG Services. You further agree to abide by the terms and conditions promulgated by the Internet Corporation for Assigned Names and Numbers ("ICANN"), including the Uniform Domain Name Dispute Resolution Policy ("Dispute Resolution Policy," <http://www.icann.org/dndr/udrp/policy.htm>) any policy which ICANN may establish with respect to WHOIS information, and the terms and conditions of Your domain name registration with Your registrar (the ICANN-accredited person or entity through which You register a domain name). This Agreement is in addition to domain name registration agreement(s) entered into by You and a registrar when you register or renew domain name registration(s).

### THE WG SERVICES

If you subscribe to the WG Services, each domain name registration which you control and which You designate ("WG Domains") will thereafter be registered in the name of the Backend Service Provider, as registrant. Your name, postal address, email address, phone and fax numbers shall be kept confidential, subject to Section 5 of this Agreement. The following information (and not your personal information) will be made publicly available in the "Whois" directory for each WG Domain:

The Backend Service Provider's email address, postal address and phone and facsimile number for the registrant, administrative, technical, and billing contacts ("WG Addresses"); The primary and secondary domain name servers You designate for the WG Domain; The WG Domain's original date of registration and expiration date; The identity of Your registrar, domain name service provider (if different from registrar) and the status of the WG Domain with the registrar (such as, "active," "Registrar Lock," "clienthold," etc.).

While You will not be listed as the registrant for the WG Domains, and other than as described in this Agreement, the Backend Service Provider will not act to control the WG Domain(s). You will retain the right to sell, transfer, or assign each WG Domain; You will retain the right to control and set the DNS settings for the WG Domain(s); You will retain the right to renew each WG Domain name registration upon expiration (subject to your registrar's applicable rules and policies); and You will remain responsible to resolve any and all monetary or other legal claims that arise in connection with Your WG Domain(s), subject to the remaining provisions of this Agreement.

**IMPORTANT: THE WG SERVICES ARE NOT A GENERAL MAIL FORWARDING SERVICE.** You agree that You will not provide any third party with the WG Addresses for the purpose of having such third party transmit communications to you through the Backend Service Provider. Third parties may obtain the WG Addresses listed in the Whois directory by their own initiative, but You agree that You will not be the one to provide the WG Addresses to such third parties.

### PROVISION OF PERSONAL INFORMATION

You agree that for each WG Domain, You will provide to the Service Providers and maintain as current and accurate, the following information:

Your name, address, email address, postal address, phone and fax numbers; The name, address, email address, postal address, phone and fax numbers for the WG Domain's administrative, technical, and billing contacts; The primary and secondary domain name servers for the WG Domain;

You agree to: (i) update this information immediately as it changes over time; (ii) respond within five (5) business days to any inquiries made by either Service Provider to determine the validity of personal information provided by You; (iii) promptly respond to messages regarding correspondence addressed to or involving Your WG Domain(s), as more fully set forth in section 6 below. If You do not supply primary and secondary domain name servers, You agree that Backend Service Provider may point Your WG Domain(s) to an IP address of Backend Service Provider' choosing until such time as You supply primary and secondary domain name servers.

#### RENEWALS AND FEES

If You have selected automatic renewal of the WG Services through the account which you use to manage Your WG Services ("Your Account"), You agree i) that the WG Services shall be automatically renewed 30 days prior to the end of Your WG Services term, ii) that the Service Provider will attempt to charge the credit card You have on file with the Service Provider at the then current rates, and iii) You waive any requirement to obtain your ongoing affirmative consent to any such automatic renewal. If you do not wish to automatically renew the WG Services, You agree that the exclusive method for communicating this to the Service Provider shall be by logging into Your Account to ensure that the auto-renewal or renewal option is not selected. You understand that You must do this at least 31 days prior to the end of the then current WG Service term. It is Your responsibility to keep Your credit card information current and accurate, including the expiration date. If Service Provider is unable to collect renewal or other fees, you agree that a Service Provider may contact You, but is not obliged to do so, and You agree that Service Provider may suspend or terminate the WG Services as a result of inability to obtain payment.

For domain name registrations which are serviced by a registrar other than a Service Provider: If available as an option and if such option selected by You, You agree that either Service Provider shall be authorized to contact your domain name registration service provider on Your behalf (and using the credit card provided by You) to renew the domain name registration of associated WG Domains.

If Backend Service Provider elects to begin charging fee(s) to forward communications to You (see below), You agree that you may be required to pay such fees before the communications will be forwarded. Backend Service Provider may change its service and forwarding fees at any time. Backend Service Provider may also charge reasonable fees for administrative tasks outside the scope of regular services. These may include, but are not limited to, customer service issues that require personal service and disputes that require legal services. You are responsible for paying all fees and taxes associated with using Backend Service Provider's services. Payment shall be made by credit card unless other options are indicated in Your Account. You agree that charges may appear on the credit card statement under a descriptive provider identifier, such as "Domain Name Registration Services." Fees are non-refundable. If for any reason there is a charge back for any fee previously charged to the credit card by Backend Service Provider, You agree that Backend Service Provider may, without notice, pursue all available remedies in order to obtain payment. Without limitation on other remedies which may be available under such circumstances, You agree that Backend Service Provider may assume complete ownership of the WG Domain(s), that the WG Domain(s) may be sold to third parties, or that the WG Domain(s) may be pointed to IP numbers of Backend Service Provider's choosing, and that Backend Service Provider may immediately cancel Your Account and all services provided to You.

**IMPORTANT TERMS REGARDING RELATIONSHIP OF TERM OF WG SERVICES AND REGISTRATION TERM OF AN ASSOCIATED WG DOMAIN:** You understand that your WG Services term begins on the date Your attempt to procure the WG Services is accepted by the Service Provider(s) and that it shall run for the unit of time which You order (typically, this would be one year). You understand that the WG Services term may be different than the registration term of the WG Domain which is associated with the WG Services. If an WG Domain expires and is deleted before the end of the term of the associated WG Services, then the WG Services associated with the domain will end when the WG Domain is deleted and You understand that there will be no refund for any resulting unused portion of an WG Services term. If the WG Services term ends while the registration term for an WG Domain is still ongoing, then the WG Services will no longer be provided, the personal information specified in section 2 shall be listed in the WHOIS output for the (then former) WG Domain, and the communications forwarding services specified in section 6 will no longer be provided.

#### YOUR REPRESENTATIONS & WARRANTIES

You represent and warrant that all information provided by You pursuant to this Agreement is truthful, complete, current and accurate and You represent and warrant that you will maintain all information in this status throughout the term of this Agreement. You also represent and warrant that You are using the WG Services in good faith and that You have no knowledge or reason to believe that Your WG Domain or the content found at any associated IP address infringes upon or conflicts with the legal rights of any third party or any third party's trademark or trade name. You also warrant that neither the WG Services nor WG Domain(s) will not be used in connection with any illegal or morally objectionable activity (as defined below in section 5), or, in connection with the transmission of unsolicited commercial email ("Spam").

#### SERVICE PROVIDER'S SUSPENSION OR TERMINATION OF SERVICE AND DISCLOSURE OF YOUR PERSONAL INFORMATION

In the event of any of the following:

If the WG Domain(s) is (are) alleged to violate or infringe a third party's trademark, trade name, copyright interests or other legal rights of third parties; If you breach any provision of this Agreement or an anti-Spam policy of either Service Provider; If You breach any provision of Your registrar's Registration Agreement; If necessary to protect the integrity and stability of the applicable domain name registry; If necessary to comply with any applicable laws, government rules or requirements, subpoenas, court orders or requests of law enforcement; If Backend Service provider is named as a defendant in, or investigated in anticipation of, any legal or administrative proceeding arising out of Your use of the WG Services or an WG Domain; If necessary to comply with ICANN's Dispute Resolution Policy or other policies promulgated by ICANN (including policies which may preclude use a service such as ID Protect); If necessary to avoid any financial loss or legal liability (civil or criminal) on the part of Backend Service Provider, its parent companies, subsidiaries, affiliates, shareholders, agents, officers, directors and employees; OR if it comes to Backend Service Provider's attention that You are alleged to be using the WG Services for purposes of engaging in, participating in, sponsoring or hiding Your involvement in illegal or morally objectionable activities, including but not limited to, activities which are designed, intended to or otherwise: (i) appeal primarily to prurient interests; (ii) defame, embarrass, harm, abuse, threaten, or harass; (iii) violate state or federal laws of the United States and/or foreign territories; (iv) involve hate crimes, terrorism or child pornography; (v) are tortious, vulgar, obscene, invasive of a third party's privacy, race, ethnicity, or are otherwise objectionable; (vi) impersonate the identity of a third party; (vii) harm minors in any way; or (viii) relate to or transmit viruses, Trojan Horses, access codes, backdoors, worms, timebombs or any other code, routine, mechanism, device or item that corrupts, damages, impairs, interferes with, intercepts or misappropriates any software, hardware, firmware, network, system, data or personally identifiable information, THEN

You understand and agree that Backend Service Provider has the absolute right and power, in its sole discretion and without any liability to You whatsoever, to suspend the WG Services, close Your Account, terminate provisionment of the WG Services, list the information You provided in section 2 in the Whois output or provide the information You provided in section 2 to a claimant, resolve any and all third party claims, whether threatened or made, arising out of Your use of WG Domain, or take any other action which Backend Service Provider deems necessary.

In the event Backend Service Provider takes any of the actions set forth above or in the event You elect to cancel the WG Services for any reason, neither Service Provider will refund any fees paid by You for the WG Services.

You also acknowledge and agree that Backend Service Provider may, in its sole discretion and without any liability to You whatsoever, cancel the WG Services during the first thirty (30) days after You procured the WG Services, and/or suspend Your rights under this Agreement and list the WG Addresses during resolution of a dispute or investigation of allegations.

#### FORWARDING COMMUNICATIONS

You agree that Backend Service Provider will review communications sent to the WG Addresses associated with Your WG Domain. For communications received via certified or traceable courier mail (such as UPS, FedEx, or DHL), or first class U.S. postal mail which does not appear to be unsolicited commercial mail, Backend Service Provider may either i) forward such communication to You or ii) may attempt to communicate to you a scanned copy of a page of the communication to ascertain Your desires with respect to forwarding the communication to You. You specifically acknowledge that Backend Service Provider may elect to not forward to You (nor to otherwise communicate with You) regarding first class postal mail or email, fax, postal mail or telephone communications which appear to be unsolicited communications which offer or advertize the sale of goods or services or which solicit charitable contributions, or communications which appear to arise from Your having used the WG Services as a general mail forwarding service (see section 1, above). You authorize Backend Service Provider to either discard all such communications or return all such communications to sender unopened. You agree to waive any and all claims arising from Your failure to receive communications directed to Your domain name but not forwarded to You by Backend Service Provider, including failures which arise from Backend Service Provider's mistake in judging whether a communication appears to be an unsolicited communication.

Email. The Whois directory generally requires an email address for every purchased domain name registration. When You purchase WG Services, Backend Service Provider creates an email address for that domain, "yourdomainname@whoisprivacyprotect.com". Thereafter, when messages are sent to the email address listed in the WG Address, Backend Service Provider forwards such messages to the email address You listed in section 2. If such email address becomes non-functioning or if email to such address bounces, Backend Service Provider is not obligated to attempt to contact You through other means. You agree that Backend Service Provider may elect, in Backend Service Provider's sole discretion, to allow You to access Your Account and view email sent to the WG Addresses, though such alternative means of servicing Your Account is an option and not a requirement.

Your Obligation to Respond to communications from the Backend Service Provider: When Backend Service Provider receives a communication which may warrant forwarding to You, per the terms of this Agreement, Backend Service Provider will send an email to the email address You provided to Backend Service Provider pursuant to section 2. The email message will identify the sender of the correspondence and the date received. As an alternative, You agree that Backend Service Provider may allow you to access Your Account to view full or partial scanned copies of (non-email) communications sent to the WG Addresses and that You may be required to interact with Your Account to have the physical originals of such communications forwarded to You and that if You do not interact with Your Account in the ways indicated upon accessing Your Account, that the communications may not be forwarded to You. In either event, You will have seventy-two (72) hours to decide whether to have the communication(s) forwarded. If you do not respond within this time period, the communication(s) will not be forwarded. Method of forward will be determined by Backend Service Provider. Communication(s) may not be immediately forwarded upon Your election; there may be a delay and communication(s) may be aggregated to be forwarded together. The Backend Service Provider may begin charging fees for forwarding communications or may change the method by which communications are forwarded without written notice.

In the event You do not respond to communications from the Backend Service Provider regarding communications received at the WG Address, Backend Service Provider may immediately reveal the information You provided pursuant to section 2 and/or cancel the WG Services regarding either the WG Domain in question or with respect to all of Your WG Domains, depending on the circumstances. This means the Whois directory will revert to displaying Your name, postal address, email address and phone number. This action would be taken because Backend Service Provider will not become involved in any legal or other matters between You and third parties.

#### LIMITATION OF LIABILITY

UNDER NO CIRCUMSTANCES SHALL EITHER THE PRIMARY OR BACKEND SERVICE PROVIDERS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES FOR ANY REASON WHATSOEVER RELATED TO THIS AGREEMENT, YOUR DOMAIN NAME REGISTRATION, THE WG SERVICES, USE OR INABILITY TO USE THE PRIMARY OR BACKEND SERVICE PROVIDER(S) WEB SITE(S) OR THE MATERIALS AND CONTENT OF THE WEB SITE(S) OR ANY OTHER WEB SITES LINKED TO SUCH WEB SITE(S) OR YOUR

BECAUSE CERTAIN JURISDICTIONS DO NOT PERMIT THE LIMITATION OR ELIMINATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRIMARY AND BACKEND SERVICE PROVIDERS' LIABILITY IN SUCH JURISDICTIONS SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW. IF ANY PROVISION OF THIS LIMITATION OF LIABILITY IS FOUND TO BE UNENFORCEABLE, ONLY SUCH PROVISION SHALL BE REMOVED AND THE REMAINDER SHALL BE ENFORCED TO THE GREATEST EXTENT PERMITTED BY LAW.

You further understand and agree that the Primary and Backend Service Providers disclaim any loss or liability resulting from: (i) the inadvertent disclosure or theft of Your personal information; (ii) access delays or interruptions to our web site or the web sites of affiliated parties; (iii) data non-delivery or misdelivery between You and the Service Providers; (iv) the failure for whatever reason to renew the WG Services; (v) the unauthorized use of Your Account or any of the Service Provider's services; (vi) errors, omissions or misstatements by either Service Provider; (vii) deletion of, failure to store, failure to process or act upon email messages sent to or forwarded to either You or the email address listed for Your WG Domain; (viii) processing of updated information regarding Your

Account; (ix) any act or omission caused by You or Your agents (whether authorized by You or not).

YOU AGREE THAT, IN ANY EVENT, THE PRIMARY AND BACKEND SERVICE PROVIDERS' RESPECTIVE MAXIMUM LIABILITY TO YOU SHALL BE CAPPED BY THE LESSER OF THE AMOUNT OF FEES PAID BY YOU TO EACH SERVICE PROVIDER IN THE PRECEDING YEAR WITH RESPECT TO THE SERVICES WHICH GAVE RISE TO THE LIABILITY OR \$100.00 PER WG DOMAIN.

#### INDEMNITY

You agree to release, defend, indemnify and hold harmless the Primary and Backend Service Providers, and their parent companies, subsidiaries, affiliates, shareholders, agents, directors, officers and employees and Your registrar, from and against any and all claims, demands, liabilities, losses, damages or costs, including reasonable attorney's fees, arising out of or related in any way to this Agreement, the WG Services, the web sites of the Service Providers, Your Account, and/or Your use of Your WG Domain.

THE BACKEND SERVICE PROVIDER, ITS PARENT COMPANIES, SUBSIDIARIES, AFFILIATES, SHAREHOLDERS, AGENTS, DIRECTORS, OFFICERS, AND EMPLOYEES EXPRESSLY DISCLAIM ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND IN CONNECTION WITH THIS AGREEMENT, THE SERVICES PROVIDED HEREUNDER, THE WEB SITES OF THE BACKEND SERVICE PROVIDER OR ANY WEB SITES LINKED TO SUCH WEB SITES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. ALL BACKEND SERVICE PROVIDER SERVICES, AS WELL AS THE BACKEND SERVICE PROVIDER WEB SITE, ARE PROVIDED "AS IS". YOUR SUBSCRIPTION TO AND USE OF BACKEND SERVICE PROVIDER'S SERVICES AND ITS WEB SITE ARE ENTIRELY AT YOUR RISK. SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER OF IMPLIED WARRANTIES, IN WHICH EVENT THE FOREGOING DISCLAIMER MAY NOT APPLY TO YOU. IF ANY PROVISION OF THIS LIMITATION OF LIABILITY IS FOUND TO BE UNENFORCEABLE, ONLY SUCH PROVISION SHALL BE REMOVED AND THE REMAINDER SHALL BE ENFORCED TO THE GREATEST EXTENT PERMITTED BY LAW.

#### COPYRIGHT & TRADEMARK

You understand and agree that all content and materials contained in this Agreement, the Privacy Policy and the Backend Service Provider web site, are protected by the various copyright, patent, trademark, service mark and trade secret laws of the United States, as well as any other applicable proprietary rights and laws, and that Backend Service Provider reserves its rights in and to all such content and materials.
